Actors on Guard Dale Anthony Girard, 2014-05-01 Actors on Guard is the most comprehensive and detailed book on the art of theatrical swordplay available today. It provides the reader with the historical, theoretical, and practical basis for learning, practicing, and presenting theatrical sword fights. Focusing specifically on the Elizabethan rapier and dagger, the most popular weapons used in stage fights, Actors on Guard provides actors, directors, teachers, stage managers, and technicians the skills and knowledge essential to presenting safe and effective fights both for stage and screen. National Computer Security Conference Proceedings, 1992 DIANE Publishing Company, 1992-11 Held October 13-16, 1992. Emphasizes information systems security criteria, how it affects us, and the actions associated with organizational accreditation. These areas are highlighted by emphasizing how organizations are integrating information security solutions. Includes presentations from government, industry, and academia, and how they are cooperating to extend the state-of-the-art technology to information systems security. 72 refereed papers, trusted systems tutorial, and 23 executive summaries. How to Evaluate and Create Information Quality on the Web was conceived and written in the mid to late 1990s. The phenomenal global expansion of the internet, together with the increasing sophistication of online technologies and software applications, requires us to be more savvy Web users, especially given the growing complexity of Web-based information. This new edition of Web Wisdom covers key issues that users and creators of Web resources need to know regarding reliable and useful information on the Web, including social media content. Written in a straightforward and accessible format, the book also provides critical evaluation techniques and tools to enhance Web-based research and the creation of high-quality content. Features: Includes checklists comprised of basic questions to ask when evaluating or creating web resources. Provides an expanded discussion of copyright, trademark, and other related issues with specific reference to web authoring. Contains a chapter devoted exclusively to social media applications and their unique evaluation challenges. Presents a new section that addresses the evaluation challenges that are related to combining traditional and social media content. Offers a new section focused on computer-generated text and its allied evaluation challenges. Introduces a revised and expanded companion website that provides a variety of supplemental materials related

to the evaluation and creation of web content as well as links to additional examples This book demonstrates how to adapt and apply the five core traditional evaluation criteria authority accuracy objectivity currency coverage originally introduced in the first edition to the modern day Web environment *Bowling-fencing Guide* ,1958 **Bowling-fencing-golf Guide** ,1958 **On Guard with the Volunteer Defence Corps** Australia.
