The Education of Radical Democracy Sarah S. Amsler, 2015-04-10 *The Education of Radical Democracy* explores why radical democracy is so necessary difficult and possible and why it is important to understand it as an educative activity The book draws on critical social theory and critical pedagogy to explain what enables and sustains work for radical democratization and considers how we can begin such work in neoliberal societies today Exploring examples of projects from the nineteenth century to the present day the book sheds light on a wealth of critical tools research studies theoretical concepts and practical methods It offers a critical reading of the crisis of hope in neoliberal capitalist societies focusing on the problem of the contraction of possibilities for democratic agency resistance to domination and practices of freedom It argues that radically democratic thinking practice and forms of social organization are vital for countering and overcoming systemic hegemonies and that these can be learned and cultivated This book will be of interest to academics practitioners researchers and students in education and critical theory and to those interested in the sociology philosophy and politics of hope It also invites new dialogues between theorists of neoliberal power and political possibility those engaged in projects for radical democratization and teachers in formal and informal educational settings

The Magic of Forgiveness Tian Dayton, 2010-01-01 Forgiveness is not an event it is a process Forgiveness is most powerful when a woman reaches midlife a natural time for reflection when she stands at a biological and emotional crossroads In this groundbreaking book the first of its kind for women acclaimed therapist Tian Dayton shows women how assessing their lives and forgiving old wounds is as essential to their well being as proper nutrition and retirement planning In forgiving we must work through layers of issues pain and resentment Because of this the process is of great psychological emotional and spiritual benefit Left unresolved past hurts wield their power from within and can contribute to depression and anxiety undermining the immune system and ultimately opening the door to a multitude of diseases And harboring resentment prevents us from engaging in deep meaningful relationships Through solid research poignant case studies and personal examples Dr Dayton guides women through the sometimes painful but healing process to provide the comfort that may have eluded them for years This beautifully written book will open women's eyes to the liberating power of forgiveness and provide the ability to find true joy
