**The Natural** Richard La Ruina, 2013-02-07 Richard La Ruina used to be the guy who couldn't get the girl. Shy, painfully awkward and still living at home with his mother at 25, he decided to finally take control of his life and become the kind of man men admire and women desire. Having developed and honed his seduction techniques, Richard is now a natural at attracting girls and one of the world's most renowned pick-up artists. As founder of PUA Training Pick-up Artist Training, Richard has personally coached thousands of men through their own dramatic transformations. Now in *The Natural*, he brings that experience to you, delivering field-tested methods and easy-to-use tools for attracting the women you want. Just like riding a bike or driving a car, meeting women and making them fall for you is a learned skill that, with enough practice, becomes effortless. There's no need for tricks, gimmicks, or lies. Instead, these methods make you more confident and attractive to women. Using the tools in *The Natural*, you'll finally have the ability to attract women just by being yourself. From body language to conversation starters, eye contact to the first touch, *The Natural* is a step-by-step blueprint for becoming the man that women can't resist.

**The Natural** Richard La Ruina, 2012-02-07 One of the world's top pick-up artists, Richard La Ruina went from having no women to being a true master of seduction. Now he shows you how to do the same. So move over, Mystery, and tell Neil Strauss that *The Rules of the Game* are about to be rewritten. Every element of the winning pickup is right here, from discovering confidence to exuding charm, learning conversation starters to mastering body language to much more. And as you move from daydreaming to flirtation to passion to romance to love, *The Natural* will show you how it's done.
