One City A Declaration Of Interdependence:

One City Ethan Nichtern, 2007-07-26 Welcome to One City Population Everyone Where everything you do matters What you wear What you say what you think Ignore Buy Don't Buy You've lived in One City your whole life whether you've known it or not And even with all the overcrowding pollution and media oversaturation it's still a great place to be There may in fact be no better setting for exploring the great truth that Dr Martin Luther King Jr expounded Whatever affects one directly affects all indirectly With pop culture savvy humor and literary liveliness Ethan Nichtern melds Dr King's message with modern Buddhist wisdom to explain how we might best live together no matter who we are and no matter where Book jacket

In an Inescapable Network of Mutuality Lewis V. Baldwin, Paul R. Dekar, 2013-08-30 The scholarship on Martin Luther King Jr has too often cast him in the image of the Southern black preacher and the American Gandhi while ignoring or trivializing his global connections and significance This groundbreaking work written by scholars religious leaders and activists of different backgrounds addresses this glaring pattern of neglect in King studies King is treated here as both a global figure and a forerunner of much of what is currently associated with contemporary globalization theory and praxis The contributors to this volume agree that King must be understood not only as a thinker visionary and social change agent in his own historical context but also in terms of his meaning for the different generations who still appeal to him as an authority inspiration and model of exemplary service to humanity The task of engaging King both in context and beyond context is fulfilled in remarkable ways in this volume without doing essential violence to this phenomenal figure **Thich Nhat**
