Who, Inc,1975 **One Foot in the Grave** William Mark Simmons,2015-10-29 UNFORTUNATELY THEY BELIEVE IN HIM
Christopher Csejthe doesn't believe in vampires Not until he becomes one He doesn't believe in witches or werewolves either
Not until they make him an offer he can't refuse Flight of the Living Dead A scream sliced the night air an animal sound as
far removed from a human voice as the previous scream of tortured metal It was a sound that went on and on as we hurried
toward the RV Mooncloud yanked the passenger door open and then ran around to the driver's side as I climbed up onto the
bench seat As she slid behind the wheel the other woman leapt from the building's rear doorway sailing over the stairs and
landing on the ground below As she crouched on the asphalt there was a shattering roar that canceled out the screaming A
ball of flame rolled out from the doorway like an orange party favor licking the air just a few feet above her head Mooncloud
threw the van in gear and brought it skidding around as the blaze snapped back through the opening Before I could reach for
the door handle the woman was springing through the open window to land across my lap Go she shouted but Mooncloud
was already whipping the vehicle in a tight turn and accelerating toward the parking lot's north exit The speed bump
smacked my head against the roof of the cab and by the time my vision cleared we were driving more sedately down a side
street the woman with the crossbow sitting between me and the passenger door In the rear view mirror a pillar of flame was
climbing from the roof of the old dormitory that housed the radio station I shook my head to clear away the last of the
planetarium show and gripped the dashboard Will somebody please tell me what's going on It's very simple Mr Csejthe Dr
Mooncloud said pressing a button that locked the cab doors You are a dead man At the publisher's request this title is sold
