apprenticeship to pursue his dream of being a rock star Daily Telegraph A GRIPPING new book about AC DC schoolboy guitarist Angus Young charts the carnage around the supergroup from wild groupies violent fist fights tragic fans deaths and even being linked to a serial killer Scottish Sun The Ten People You Meet Chris Vobe,2025-03-08 A river winds around the neck of time The reeds and the memories the fables and rhymes The author of The Water Tower returns with a tender collection of writings steeped in the landscape of his North West hometown The Ten People You Meet is a delicately constructed thought provoking anthology which offers a powerful and fresh exploration of familiar motifs Through the eyes of its diverse cast of characters themes such as love and loss are re examined with a generous honesty blending sorrowful reflections and candid narratives with the author s customary humour and endearing optimism Each study is painted large across an original and authentic canvas upon which we find a carefully crafted series of still lifes Also included is The Gospel a unique interconnected cycle of lyrics encompassing meditations on faith distance remorse and redemption featuring Conversations with God Ascension and the breath taking Amor Incorporating poetry prose and a selection of Chris Vobe s own photographs and littered with moments of mesmerising beauty The Ten People You Meet seeks to redefine the nature of an anthology delivering a commanding immersive portrait of life death and our relationship with God Containing the short stories The Christmas Bauble The Wolf and Fishing a brand new tale set in Little Bassington featuring the characters Adam Chapman and Clarissa Clements from Chris Vobe s acclaimed debut The Water Tower Igor Stravinsky: The Rake's Progress Paul Griffiths,1982-09-02 The Rake s Progress is Stravinsky s biggest work and one of the few great operas written since the 1920s rare too for the unusual quality of its libretto by Auden and Kallman Its importance is undisputed but so too are the problems it raises problems of both performance and understanding caused by the irony with which it is so thoroughly permeated In aspects of style and operatic convention it looks back to the eighteenth century and in particular to the operas of Mozart and da Ponte while making references also to other periods to operas from Monteverdi to Verdi Yet at the same time it is wholly a work of the twentieth century and indeed it is centrally concerned with the impossibility of return artistic psychological or actual as well as with the nature and limitation of human free will The Rake s Progress is not one of unbridled dissipation but rather more interestingly one of attachment to naive notions of freedom and choice and his tragedy is that he can never go back **The Gospel** Chris Vobe,2025-01-29 All love is a kind of mythology But what s a fairytale or two between friends Chris Vobe s The Gospel a unique interconnected cycle of lyrics is available independently for the first time Encompassing meditations on faith distance remorse and redemption The Gospel showcases Chris Vobe s writing at its most sincere featuring Conversations with God Ascension and the breath taking Amor Littered with moments of mesmerising beauty The Gospel delivers a commanding immersive reflection on life death and our relationship with God The Royal Lady's Magazine, and Archives of the Court of St. James's ,1833 *Publications* Nebraska Academy of Sciences,1891 No 1 6 include list of members **Dionysius, the Areopagite** Ann Hawkshaw,1842 **Dirty Blvd.** Aidan Levy,2015-10-01 Lou

Reed made it his mission to rub people the wrong way whether it was with the noise rock he produced with the Velvet Underground in the late 1960s or his polarizing work with Metallica that would prove to be his swan song On a personal level too he seemed to take pleasure in insulting everyone who crossed his path How did this Jewish boy from Long Island an adolescent doo wop singer rise to the status of Godfather of Punk And how did he maintain that status for decades Dirty Blvd the first new biography of Reed since his death in 2013 digs deep to answer those questions And along the way it shows us the tender side of his prickly personality Born in Brooklyn Reed was the son of an accountant and a former beauty queen but he took the road less traveled trading literary promise for an entry level job as a budget label songwriter and founding the Velvet Underground under the aegis of Andy Warhol The cult of personality surrounding his transformation from downtown agent provocateur to Phantom of Rock and finally to patron saint of the avant garde was legendary but there was more to his artistic evolution than his abrasive public persona The lives of many American rock stars have had no second act but Reed s did Dirty Blvd not only covers the highlights of Reed s career but also explores lesser known facets of his work such as his first recordings with doo wop group the Jades his key literary influences and the impact of Judaism upon his work and his engagement with the LGBT movement Drawing from new interviews with many of his artistic collaborators friends and romantic partners as well as from archival material concert footage and unreleased bootlegs of live performances author Aidan Levy paints an intimate portrait of the notoriously uncompromising rock poet who wrote Heroin Sweet Jane Walk on the Wild Side and Street Hassle songs that transcended their genre and established Lou Reed as one of the most influential and enigmatic American artists of the past half century
