Wood,2022-05-12 There is a hard line between good and evil Nora Cross it if you want but I won t be holding your hand in Hell Imprisoned in her own home Vanora Willis waits for her Surge an excruciating event all Sirens must live through in order to determine their lifelong duty Those that are good shall guide a pure soul to Heaven Those that are bad damn evil souls immortal until they pursue their convicts to Hell But Vanora is only half a Siren Her family expects her to be nothing less than good but afraid she ll never have a purpose in life why should she follow the rules Then she meets Cal a bad Siren with a knack for defying them Impulsive and head over heels Cal dreads to plague Vanora s traditions with his evil deeds but it s a risk he s willing to take Across an ocean her father hides a secret that could mean the death of an entire species

Defying every expectation vicious becomes virtue s teacher A Siren is helpless if she is unable to sing **Selected Works of Wilbur C. Tuttle** Wilbur C. Tuttle, I still contend that Magpie Simpkins is too finicky It s all right for a feller to desire to appear to a good advantage especially on Sunday but a finicky person hadn t ought to pack a gun at a time when he s just acquired something out of the ordinary in haberdashery New boots don t mean nothing but misery to me They could set diamonds all the way around the sole but just the same she don t spell nothing but blisters and cramps to Ike Harper Anyway I m so bow legged that my heels have got to be run over on the outside edges before I can be comfortable around the knees Magpie paid twenty dollars for them yaller boots They was glowing with youth vitality and shiny polish when Magpie leaned em against the side of that Pullman berth They was a thing of beauty and a joy forever A pair of boots ain t nothing but footwear except when they re the color of a sunset in Injun Summer and fit like the skin on a sausage and cost twenty dollars

Some folks will likely argue that Magpie hadn't owned said boots long enough to become attached to 'em but to those critics I will say you don't have to have a twenty dollar bill around the house very long before you become sentimental about it. Me and Magpie are on our way back from the Stampede at Totem where we went to clean up some money figuring that we knowed a little more than the fellers did who run the games. We found out that honesty is a poor poker policy in Totem. Magpie sheds bitter tears over them boots. Their pristine yaller has went. A porter suffering from color blindness lack of illumination or gin has rubbed 'em plentiful with black polish until there ain't nothing identifying left except the shape and size. Magpie also bought a new blanket from an Injun robe vender. It contains all the colors of the rainbow and the design is supposed to invoke a special blessing from some high cheeked god of some kind. Magpie looks at said boots folds 'em reverently in the blanket and then pushes the bell in the berth. Them boots has been under that seat ever since we got up in the morning. Magpie being a heap vain desires to pack 'em openly and places same in the aisle at night along with his regular ones. Now that he wishes to show off a little he opines to put 'em on. He sets there in his socks and pushes that little button. As I said before Magpie is too finicky and sudden. No matter if he did know the certain porter connected with our car and didn't wait for an apology he might a sounded a warning. He didn't hit the porter but he would as soon as he got used to the sway of that car cause his third shot busted the glass right by the porter's head. Maybe the conductor was right and maybe he wasn't. Anyway it's danged bad form to hop on to a man's back when he's trying to settle a personal matter. Him and Magpie went down in the aisle and everybody begins to exercise their lungs. Being part and parcel of Magpie's crew I immediate and soon bends my gun over the conductor's head. Folks will likely say that I was wrong that I had no interest in them yaller boots but there's bound to be some Sundays when Magpie won't wear 'em and there ain't no law against me dressing up a little. What is politely known as consternation seems to prevail. Some folks even go so far as to try and hand us their valuables while others seem to have the instinct of prairie dogs and hunt a hole. Then the train jerks to a stop which almost upsets me and Magpie backs into me poking shells into his gun.

Law Rustlers Wilbur Coleman Tuttle, 2022-03-09 Excerpt Me and Hashknife Hartley sets there on our broncs and spells out the old sign just like it was the first time we ever seen it. The good Lord only knows why we're back at the old sign. Willer Crick don't mean nothing to us. Glory Sillman lives or did live on Willer Crick but her name ain't never figured in any of our conversations since the day we fogged away from Willer Crick. We kinda left that part of the range in a hurry that day left a surprised bunch of folks watching our dust while a couple of enterprising bad men went home to get patched up and another bunch throwing lead at the wrong parties just because said parties had a gray and a roan horse. No Willer Crick has been a closed incident to us. Not that we're silent folks cause we ain't. I can talk the bark off a greasewood and Hashknife Hartley man he's a conversationalist. It's kinda funny that we never talked about the Willer Crick folks cause they sure are worth talking about. Sol Vane who does the lawin for the Crick. Jim Sillman one of the Council of Three old Ebenezer Godfrey they're one goshawful layout. Of course Ebenezer Godfrey is dead. Jim Albright and Pete

Godfrey his illegal heirs are dead we think but there s a plenty of that misguided tribe left Ebenezer was killed by Pete and Jim cause the old man wouldn t die soon enough for one of them to get visible means of support in order to marry Glory The old man was hard boiled enough to hang on to life until he could will everything he owned to me and Hashknife Willer Crick being a closed corporation didn t accept me and Hashknife to any great extent
