One Chosen The Spirit Of Living Creatures:

One Chosen James C. Lewis, 2015-11-20 Does God still use parts of His creation some we consider inferior to accomplish His purpose For example the Bible tells us how He had Balaam s donkey speak a great fish transport Jonah and ravens feed the prophet Elijah He even used a gourd and a cutworm in the life of Jonah In ONE CHOSEN God appoints Firstborn a young Whooping Crane to help biologists save his species from extinction It has been said that three years of hard work would have been wasted if God had not helped Gone like water twisting twirling disappearing down a sink drain It shows how much He loves His creation A blackbird and owl tell Firstborn that the one he calls Mom is really a mankind Catapulted from a humble beginning in captivity he is visited by the Spirit of Living Creatures Ezekiel chapters 1 and 10 and given supernatural abilities to help accomplish his divine assignment Struggling against fear flock rebellion resistance from adversaries like Midian and aided by faithful friends Raham Gad and Ono he forms his disorganized flock into a Team They must train like athletes for a marathon race In October following man s ultralight aircraft they migrate south from Montana across the Rocky Mountains while battling eagle attacks crushing downslope winds winter blizzards and aircraft problems Released in New Mexico they must adapt to the wild experience unfamiliar foods and escape coyotes bobcats and hunters Will any survive to migrate back north in spring and thereby confirm this technique for starting new populations of this endangered species
