Travels with Figment On the Road in Search of Disney Dreams Marty Sklar, 2019-11-05 *Travels with Figment On the Road in Search of Disney Dreams* is the final book from Disney Legend Marty Sklar. In his fifty-four years at Disney, among his assignments in his first ten years was writing personal materials for Walt Disney. Marty travelled the globe creating Disney magic and committing his adventures to memory. After his retirement from Disney, Marty kept on traveling with book tours, sharing his memoir *Dream It Do It: My Half-Century Creating Disney's Magic Kingdoms* and his book full of Imagineering secrets *One Little Spark: Mickey's Ten Commandments* and *The Road to Imagineering*. In response to the most asked question raised on his book tours, "When can we read more stories about the Disney world you lived in for more than half a century," he drew upon his memory to tell stories he hadn't shared before. And in this fresh volume, Marty regales readers with more captivating tales from his storied career. Accolades and tributes to Marty upon his passing in 2017 reinforced the depth of his legacy and impact. Walt Disney Company CEO Bob Iger put it this way: "Everything about Marty was legendary: his achievements, his spirit, his career. He embodied the very best of Disney, from his bold originality to his joyful optimism and relentless drive for excellence. He was also a powerful connection to Walt himself. No one was more passionate about Disney than Marty, and we'll miss his enthusiasm, his grace, and his indomitable spirit." *Travels with Figment* is a collection of tales told memorably by Marty, spanning the globe and nearly six decades. Travel along and enjoy the truly fascinating adventures of this exceptional man.

The Imagineering Story Leslie Iwerks, 2022-11-08 The highly acclaimed and rated Disney documentary series *The Imagineering Story* becomes a book that greatly expands the award-winning filmmaker Leslie Iwerks' narrative of the fascinating history of Walt Disney Imagineering. The entire legacy of WDI is covered from day one through future projects, with never-before-seen access and insights from people both on the inside and on the outside. So many stories and details were left on the cutting room floor; this book allows an expanded exploration of the magic of Imagineering. So many insider stories are featured. Sculptor Blaine Gibson's wife used to kick him under the table at restaurants for staring at interesting-looking people seated nearby, and he'd even find himself studying faces during Sunday morning worship. You mean some of these characters might have features that are based on people you went to church with? Marty Sklar once asked Gibson of the Imagineer's sculpts for *Pirates of the Caribbean*. He finally admitted to me that that was true. In the early days, Walt Disney Imagineering was in one little building, and everybody parked in the back, and you came in through the model shop, and you could see everything that was going on, recalled Marty Sklar. When we started on the World's Fair in 1960 and 1961, we had 100 people here. And so everybody knew everything about what was happening and the status of each project, so you really felt like you were part of the whole team, whether you were working on that project or not. And you know, there was so much talent here. A must-have for Disney Parks fans. Searching for that perfect gift for the #1 Disney fan in your life.
