

The book cover is set against a background of a dense, repeating geometric pattern in shades of grey and blue. The cover itself is a grid of 20 small, sepia-toned photographs of various New York City buildings, including Gothic cathedrals, modern skyscrapers, and classical structures. A central black rectangle with a thin red border contains the title in white serif font. Below the title, the author and text credits are printed in a smaller, all-caps serif font. The book's spine is visible on the left, showing a dark blue binding with the word 'CONTENTS' printed vertically in white.
