Marchal, 2020 The letters of Paul are among the most commonly cited biblical texts in ongoing cultural and religious disputes about gender sexuality and embodiment Appalling Bodies reframes these uses of the letters by reaching past Paul toward other far more fascinating figures that appear before after and within the letters The letters repeat ancient stereotypes about women eunuchs slaves and barbarians in their Roman imperial setting each of these overlapping groups were cast as debased dangerous and complicated Joseph Marchal presents new ways for us to think about these dangers and complications with the help of queer theory Appalling Bodies juxtaposes these ancient figures against recent figures of gender and sexual variation in order to defamiliarize and reorient what can be known about both The connections between the marginalization and stigmatization of these figures troubles the history ethics and politics of biblical interpretation Ultimately Marchal assembles and reintroduces us to Appalling Bodies from then and now and the study of Paul's letters may never be the same The Color of North Shahir S. Snowden, 1983 In this richly illustrated account of black white contacts from the Pharaohs to the Caesars Frank Snowden demonstrates that the ancients did not discriminate against blacks because of their color For three thousand years

Mediterranean whites intermittently came in contact with African blacks in commerce and war and left a record of these encounters in art and in written documents The blacks most commonly known as Kushites Ethiopians or Nubians were redoubtable warriors and commanded the respect of their white adversaries The overall view of blacks was highly favorable In science philosophy and religion color was not the basis of theories concerning inferior peoples And early Christianity saw in the black man a dramatic symbol of its catholic mission This book sheds light on the reasons for the absence in antiquity of virulent color prejudice and for the difference in attitudes of whites toward blacks in ancient and modern societies

Yahweh for Christians Messianic Rabbi Minister Yahonathan Daweed, 2021-08-25 Yahweh for Christians I Am Original Words Original Truth By Messianic Rabbi Minister Yahonathan Daweed Yahweh for Christians is a work unlike any other on your book shelf No other work of this weight and of this topic gives us a historical examination across the history of man as this work does Yahweh for Christians states that there is an epic struggle between the Sacred Name and an intelligent opponent that goes beyond our appreciation This attack is not benign but is violent and affects all life as we know it This battle defines our conscious and unconscious lives so that we do not know that true life is altered beyond recognition As such this is plenarily deleterious to our existence Yahweh for Christians will present actual history revealing the collateral lies of wrote history It will connect the dots to creation Judaism Catholicism Christianity Islam Japheth Shem Ham Egypt Greco Rome Germany the dark ages the crusades Great Britain slavery the world wars our present time and our soon coming end All of which is a complex systematic intelligent designed orchestration of spiritual warfare of a great lie versus a great truth If this struggle is so ranging and daunting as stated above then this work is one of grave importance The simplicity of word study is the chief tool utilized by this work to access the etiology of knowledge Original words will deposit the student to original truth
