Getting Started in Ballet : A Parent's Guide to Dance Education Anna Paskevskaja Chair of the Dance Department Chicago Academy for the Arts, 1997-10-20 Many children dream of being a ballerina Chin raised with purpose arms high above head they twirl clumsily around the living room and leap tirelessly in the air Sooner or later they rebound to say I want to dance Now what do you do How do you know if the time is right Where's the best place to start In *Getting Started in Ballet* Anna Paskevskaja draws from her training at the Paris Opera Ballet School and the Royal Ballet School in London and her career as a professional dancer and teacher to offer a step by step introduction to dance education for parents with children starting ballet Paskevskaja begins with a historical overview of dance and discusses the fundamental virtues and many life long skills it imparts Dance teaches children how to cooperate and support each other's efforts encourages them to work in harmony with others helps establish a child's spatial relationships and promotes discipline and responsibility Paskevskaja outlines the proper sequence for training in ballet based on a child's physical and mental development She clearly demonstrates how ballet's early training focusing on repetition of simple motion such as exercises at the barre and basic jumps establish pathways for all later movements not only in ballet but in modern dance jazz and tap as well Written in a clear and accessible style and full of anecdotes from Paskevskaja's long professional dance related career *Getting Started in Ballet* offers helpful information on types of dance schools and how to select the right school for your child Included is valuable information on choosing a dance instructor the role both parents and teachers should play in a child's learning experience and the qualities the ideal teacher should possess Also discussed are more practical matters such as the appropriate clothing to wear while practicing the importance of shoes that fit properly how to secure pointe shoes tips for avoiding injury and how to balance training and performing experience during the formative years A special chapter covers proper diet eating disorders and ways to recognize symptoms of imbalance Finally Paskevskaja touches upon the professional world of dance attending college as a dance major and advice on choosing careers that benefit from a background in dance With forewords by Violette Verdy a preeminent ballerina affiliated with the New York City Ballet and the Paris Opera Ballet and Sybil Shearer a pioneer of American modern dance as well as an extensive appendix of performing arts schools and dance programs throughout the United States *Getting Started in Ballet* gives parents the advice they need to make their child's dance experiences both enjoyable and constructive

Ballet Class Melissa R. Klapper, 2020-01-31 Surveying the state of American ballet in a 1913 issue of McClure's Magazine author Willa Cather reported that few girls expressed any interest in taking ballet class and that those who did were hard pressed to find anything other than dingy studios and imperious teachers One hundred years later ballet is everywhere There are ballet companies large and small across the United States ballet is commonly featured in film television literature and on social media professional ballet dancers are spokespeople for all kinds of products nail polish companies market colors like Ballet Slippers and Prima Ballerina and most

importantly millions of American children have taken ballet class Beginning with the arrival of Russian dancers like Anna Pavlova who first toured the United States on the eve of World War I Ballet Class An American History explores the growth of ballet from an ancillary part of nineteenth century musical theater opera and vaudeville to the quintessential extracurricular activity it is today pursued by countless children nationwide and an integral part of twentieth century American childhood across borders of gender class race and sexuality A social history Ballet Class takes a new approach to the very popular subject of ballet and helps ground an art form often perceived to be elite in the experiences of regular everyday people who spent time in barre lined studios across the United States Drawing on a wide variety of materials including children s books memoirs by professional dancers and choreographers pedagogy manuals and dance periodicals in addition to archival collections and oral histories this pathbreaking study provides a deeply researched national perspective on the history and significance of recreational ballet class in the United States and its influence on many facets of children s lives including gender norms consumerism body image children s literature extracurricular activities and popular culture

Age and the Reach of Sociological Imagination Dale Dannefer,2021-08-09 The dominant narratives of both science and popular culture typically define aging and human development as self contained individual matters failing to recognize the degree to which they are shaped by experiential and contextual contingencies Our understandings of age are thereby boxed in and constricted by assumptions of normality and naturalness that limit our capacities to explore possible alternative experiences of development and aging and the conditions both individual and social that might foster such experiences Combining foundational principles of critical social science with recent breakthroughs in research across disciplines ranging from biology to economics this book offers a scientifically and humanly expanded landscape for apprehending the life course Rejecting familiar but false dichotomies such as nature vs nurture and structure vs agency it clarifies the organismic fundamentals that make the actual content of experience so centrally important in age and development and it also explores

why attention to these fundamentals has been so resisted in studies of individuals and individual change and in policy and practice as well In presenting the basic principles and reviewing the current state of knowledge Dale Dannefer introduces multi levelled social processes that shape human development and aging over the life course and age as a cultural phenomenon organizing his approach around three key frontiers of inquiry that each invite a vigorous exercise of sociological imagination the Social Structural Frontier the Biosocial Frontier and the Critical Reflexive Frontier **Building Bridges From Early to Intermediate Literacy, Grades 2-4** Sarah F. Mahurt,Ruth E. Metcalfe,Margaret A. Gwyther,2007-05-08 Help all learners transition successfully from beginning to intermediate literacy levels with these classroom tested instructional strategies and specialized assessment tools for word study reading and writing The Big Book of Home Learning Volume 1 Getting Started Mary Pride,2000-09 *Resources in Education* ,2001-10 **Getting Started in Ballet** Anna Paskevskaja,1997-01-01 This book will assist in the design of a dancer's life Speaks about important issues and concerns so that dancers or anyone involved with the guidance of a dancer can make informed decisions each step of the way Based on a life in dance Paskevskaja guides us through matters crucial to a dancer's full realization with information that is backed up by academic research and personal anecdotes Chapters why dance dance training how to select a teacher and school progression of training what to wear parent and teacher relations recitals demonstrations and concerts avoiding injuries diet and eating disorders entering the profession beyond secondary education and a dancing career and parenting the dancer B W photos **Multiple Literacies for Dance, Physical Education and Sports** Stephen G. Mogge,Shelly Huggins,Jaye Knutson,Elin E. Lobel,Pamela Segal,2023-03-14 This book explores a spectrum of literacies relevant to dance physical education and sports It examines conceptions of movement literacies disciplinary literacies and traditional school literacies It includes theory research and instructional practice related to the uses of traditional print multimedia and embodied physical literacies These literacies function independently but are also overlapping and mutually reinforcing in comprehensive instructional planning As movement and activity related fields continue to explore the potential for multiple literacies this book introduces numerous possibilities both conceptual and practical for consideration Pre service and in service teachers in dance and physical education programs will learn how to integrate multiple literacies in curriculum design and teaching Graduate students will examine theoretical premises of movement and disciplinary literacies and become familiar with original research on these topics Teachers school administrators coaches and athletic directors will use the book in order to guide the inclusion of movement and activity based fields in the disciplinary literacy agenda now common in Pre K through secondary schooling Media rich chapters including photographic video and other graphic images allow students to access concepts through multiple modalities **Renaissance in the Classroom** Gail E. My Baby Can Dance Steven E. Gutstein,Hannah R. Gutstein,Carlotta Baird,2006 My Baby Can Dance is for anyone who needs a reminder about what makes social interaction so wonderful and why sometimes the simplest forms of communication can lead to the most wonderful encounters For parents of children affected by autism it is hard to identify exactly when their child slipped away For one mother it was after planting flowers for another it was one night in his sleep for many more it was already too late to say goodbye The stories in this book are of families that are all very different and yet their struggles are strikingly similar They have made mistakes they have cried and laughed and prayed And in the end they have done it all for the love of a child Along with the remarkable stories of RDI families is a message of hope that in their own time and in their own way these children will find their way back home

Eleven stories of families that live autism day by day using the Relationship Development Intervention Program Introduction by Dr Steven E Gutstein
