

A Romantic-style landscape painting. In the foreground, a large, gnarled tree with dense green foliage grows on a grassy slope. Behind the tree, a small stone building with a gabled roof and a window is perched on the edge of a steep, rocky cliff. The cliff face is rugged and brown. In the background, the sea is visible under a sky with soft, white clouds. A small figure of a person stands on a distant rocky outcrop in the sea. The overall mood is dramatic and picturesque.

The Book Beautiful Pradeep Sebastian, 2023-01-20 Until 2015 Pradeep Sebastian was a contented bibliophile quite far from the serious book collector anxiously checking his email alerts Things however took a dramatic turn when he chanced upon fine press books printed on a handpress from metal type pressed into dampened handmade paper the tactility and typographic beauty of letterpress books instantly captivated him There was no looking back In absorbing prose the author retraces his fulfilling journey of collecting fine books online his new found love for modern calligraphic and illuminated manuscripts and his discovery of the masters of bookmaking be it the cloistered nuns who printed impeccable fine press books or the famous printer who lived in a one room apartment at a YMCA with his small handpress tucked under his bed Peppered with vivid anecdotes and delightful conversations *The Book Beautiful* is as much about the love for fine books as it is about the pleasures of bibliophily the camaraderie between fellow collectors and dealers bibliographic connoisseurship the thrill of the chase and the joy of striking a juicy bargain *Global Cities At Work* Jane Wills, Kavita Datta, Yara Evans, Joanna Herbert, Jon May, Cathy McIlwaine, 2009-12-31 This book is about the people who always get taken for granted The people who clean our offices and trains care for our elders and change the sheets on the bed *Global Cities at Work* draws on testimony collected from more than 800 foreign born workers employed in low paid jobs in London during the early years of the twenty first century This book breaks new ground in linking London s new migrant division of labour to the twin processes of subcontracting and increased international migration that have been central to contemporary processes of globalisation It also raises the level of debate about migrant labour encouraging us to look behind the headlines The authors ask us to take a politically informed view of our urban labour markets and to prioritise the issue of poverty in underemployed communities *World City Network* Peter Taylor, Ben Derudder, 2015-08-17 With the advent of multinational corporations the traditional urban service function has gone global In order to provide services to globalizing corporate clients the offices of major financial and business service firms across the world have generated networks of work It is the myriad of flows between office towers in different metropolitan centres that has produced a world city network Taylor and Derudder s unique and illuminating book provides both an update and a substantial revision of the first edition that was published in 2004 It provides a comprehensive and systematic description and analysis of the world city network as the skeleton upon which contemporary globalization has been built Through an analysis of the intra company flows of 175 leading global service firms across 526 cities in 2012 this book assesses cities in terms of their overall network connectivity the regional configurations they form and their changing position in the period 2000 12 Results are used to reflect on cities and city state relations in the context of the global ecological and economic crisis Written by two of the foremost authorities on the subject this book provides a much needed mapping of the connecting relationships between world cities and will be a valuable resource for students of urban studies geography sociology and planning **America's Urban History** Lisa Krissoff Boehm, Steven Hunt

Corey,2014-10-30 The history of the American city is in many ways the history of the United States Although rural traditions have also left their impact on the country cities and urban living have been vital components of America for centuries and an understanding of the urban experience is essential to comprehending America s past America s Urban History is an engaging and accessible overview of the life of American cities from Native American settlements before the arrival of Europeans to the present day landscape of suburban sprawl urban renewal and a heavily urbanized population The book provides readers with a rich chronological and thematic narrative covering themes including The role of cities in the European settlement of North America Cities and westward expansion Social reform in the industrialized cities The impact of the New Deal The growth of the suburbs The relationships between urban forms and social issues of race class and gender Covering the evolving story of the American city with depth and insight America s Urban History will be the first stop for all those seeking to explore the American urban experience *Military Review* ,2015 Globalizing Citizenship Kim Rygiel,2011-01-01 The events of 9 11 exposed and enhanced tensions between global capitalism and the nation state Governments struggle more than ever to govern populations and manage cross border traffic without building new barriers to trade and commerce What does citizenship mean in this context Is it in crisis Kim Rygiel explores these questions by examining border and detention policies in the United States the United Kingdom Canada and Australia as part of a larger politics of citizenship that preceded 9 11 Building on Foucault s concept of biopolitics she argues that citizenship is becoming a globalizing regime to govern mobility as nations harmonize border and detention policies outsource state functions to international organizations and private companies and rely on technologies of governing to discipline the body The new mobility regime is not only deepening boundaries based on race class and gender it is causing Western nations to embrace a more technocratic depoliticized understanding of citizenship **Contemporary British Fiction and the Cultural Politics of Disenfranchisement** A. Beaumont,2015-12-05 By examining the representation of urban space in contemporary British fiction this book argues that key to the political left s strategy was a model of action which folded politics into culture and elevated disenfranchisement to the status of a political principle *Cosmopolitanism and Place* E. Johansen,2014-05-01 *Cosmopolitanism and Place* considers the way contemporary Anglophone fiction connects global identities with the experience in local places Looking at fiction set in metropolises regional cities and rural communities this book argues that the everyday experience of these places produces forms of wide connections that emphasize social justice **The World Book Encyclopedia** ,1953 **How the World Moves** Peter Nabokov,2015-09-22 A compelling portrait of cultural transition and assimilation via the saga of one Acoma Pueblo Indian family Born in 1861 in New Mexico s Acoma Pueblo Edward Proctor Hunt lived a tribal life almost unchanged for centuries But after attending government schools he broke with his people s ancient codes to become a shopkeeper and controversial broker between Indian and white worlds As a Wild West Show Indian he travelled in Europe with his family and saw his sons become silversmiths painters and consultants on Indian
