Online Book Israel South Africa Faces Apartheid:

Israel and South Africa Ilan Pappé, 2015-10-15 Within the already heavily polarised debate on the Israeli Palestinian conflict parallels between Israel and apartheid South Africa remain highly contentious A number of prominent academic and political commentators including former US president Jimmy Carter and UN Special Rapporteur John Dugard have argued that Israel's treatment of its Arab Israeli citizens and the people of the occupied territories amounts to a system of oppression no less brutal or inhumane than that of South Africa's white supremacists Similarly boycott and disinvestment campaigns comparable to those employed by anti apartheid activists have attracted growing support Yet while the apartheid question has become increasingly visible in this debate there has been little in the way of genuine scholarly analysis of the similarities or otherwise between the Zionist and apartheid regimes In *Israel and South Africa* Ilan Pappé one of Israel's preeminent academics and a noted critic of the current government brings together lawyers journalists policy makers and historians of both countries to assess the implications of the apartheid analogy for international law activism and policy making With contributors including the distinguished anti apartheid activist Ronnie Kasrils *Israel and South Africa* offers a bold and incisive perspective on one of the defining moral questions of our age

Zionist Israel and Apartheid South Africa Amneh Badran, 2009-09-10 This book is a comparison of two ethnic national apartheid states South Africa and Israel which have been in conflict and how internal dissent has developed In particular it examines the evolution of effective white protest in South Africa and explores the reasons why comparably powerful movements have not emerged in Israel The book reveals patterns of behaviour shared by groups in both cases It argues that although the role played by protest groups in peace building may be limited a tipping point or magic point can become as significant as other major factors It highlights the role played by intermediate variables that affect the pathways of protest groups such as changes in the international system the visions and strategies of resistance movements and their degree of success the economic relationship between the dominant and dominated side and the legitimacy of the ideology in power apartheid or Zionism Although the politics and roles of protest groups in both cases share some similarities differences remain Whilst white protest groups moved towards an inclusive peace agenda that adopts the ANC vision of a united non racial democratic South Africa the Jewish Israeli protest groups are still by majority entrenched in their support for an exclusive Jewish state And as such they support separation between the two peoples and a limited division of mandatory Palestine Eretz Israel This timely book sheds light on a controversial and explosive political issue Israel being compared to apartheid South Africa

Decolonial Solidarity in Palestine-Israel

Teodora Todorova, 2021-06-17 Recent years have seen the Israeli state become ever more extreme in its treatment of Palestinians manifested both in legislation stripping Palestinians of their rights and in the escalating scale and violence of the Israeli occupation But this hard line stance has in turn provoked a new spirit of dissent among a growing number of Israeli scholars and civil society activists As well as recognising Palestinian claims to justice and self determination this new dissent

is characterised by calls for genuine decolonisation and an end to partition as opposed to the now discredited two state solution Through the analytical lens of settler colonial studies this book examines the impact of this new decolonial solidarity through case studies of three activist groups Zochrot Anarchists Against the Wall and the Israeli Committee Against House Demolitions ICAHD In doing so Todorova extends the framework of settler colonial studies beyond scholarly analysis and into the realm of activist practice She also looks at how decolonial solidarity has shaped and been influenced by the writings of both Palestinian and Israeli theorists The book shows that new forms of civil society activism bringing together Palestinian and Israeli activists can rejuvenate the resistance to occupation and the Israeli state s growing authoritarianism

Routledge Handbook on Tourism in the Middle East and North Africa Dallen Timothy, 2018-12-07 The Routledge Handbook on Tourism in the Middle East and North Africa examines the importance of tourism as a historical economic social environmental religious and political force in the Middle East and North Africa MENA It highlights the ecological and resource challenges related to water desert environments climate change and oil It provides an in depth analysis of the geopolitical conditions that have long determined the patterns of tourism demand and supply throughout the region and how these play out in the everyday lives of residents and destinations as they attempt to grow tourism or ignore it entirely While cultural heritage remains the primary tourism asset for the region as a whole many new types of tourisms are emerging especially in the Arabian Gulf region where hyper development is closely associated with the increasingly prominent role of luxury real estate and shopping retail medical tourism cruises and transit tourism The growing phenomenon of an expatriate workforce and how its segregation from the citizenry creates a dual socio economic system in several countries is unmatched by other regions of the world Many indigenous people of MENA keep themselves apart from other dominant groups in the region although these social boundaries are becoming increasingly blurred as tourism being one socio economic force for change has inspired many nomadic peoples to settle into towns and villages and rely more on tourists for their livelihoods All of these issues and more shape the foundations of this book This Handbook is the first of its kind to examine tourism from a broad regional and inclusive perspective surveying a broad range of social cultural heritage ecological and political matters in a single volume With a wide range of contributors many of whom are natives of the Middle East and North Africa this Handbook is a vital resource for students and scholars interested in Tourism Middle East Studies and Geography

Gender-Based Violence and Digital Media in South Africa Millie Mayiziveyi Phiri, 2023-10-02 This book presents a new paradigm for attending to gender based violence GBV social media discourse among marginalised Black women in South Africa Focusing on the intersections of television and social media the study charts the morphing and merging of the inside of the soap opera and the outside of the real world amid a rise in feminist social media activism The analysis begins with coverage of gender based violence in a long running South African soap opera and social media discussion of these issues in parallel with real world events and the collective social media response The author offers pertinent insights into audiences in

sub Saharan Africa presenting a new feminist trajectory for women and activism in the region Offering new insights into an important issue this book will be of interest to scholars and students of gender cultural studies film studies television studies sociology development studies feminism media and journalism **Apartheid in Palestine** Ghada Ageel, 2016-01-18 Of all the crimes to which Palestinians have been subjected through a century of bitter tragedy perhaps none are more cruel than the silencing of their voices The suffering has been most extreme criminal and grotesque in Gaza where Ghada Ageel was one of the victims from childhood This collection of essays is a poignant cry for justice far too long delayed Noam Chomsky There are more than two sides to the conflict between Palestine and Israel There are millions Millions of lives voices and stories behind the enduring struggle in Israel and Palestine Yet the easy binary of Palestine vs Israel on which the media so often relies for context effectively silences the lived experiences of people affected by the strife Ghada Ageel sought leading experts Palestinian and Israeli academic and activist to gather stories that humanize the historic processes of occupation displacement colonization and most controversially apartheid Historians scholars and students of colonialism and Israel Palestine studies and anyone interested in more nuanced debate will want to read this book Foreword by Richard Falk Contributors Yasmeen Abu Laban Ghada Ageel Huwaida Arraf Abigail B Bakan Ramzy Baroud Samar El Bekai James Cairns Edward C Corrigan Susan Ferguson Keith Hammond Rela Mazali Sherene Razack Tali Shapiro Reem Skeik Rafeef Ziadah

Apartheid Spies and the Revolutionary Underground Billy Keniston, 2024-11 Reveals the little known details of the assassination of an anti apartheid activist by an apartheid spy and undercover police officer On 28 June 1984 a parcel bomb sent by the apartheid security police exploded in an apartment building in Lubango Angola killing 36 year old Jeanette Schoon and her six year old daughter Katryn The Schoons were members of the revolutionary underground exiled from South Africa and committed to both the African National Congress and to socialism What many political activists had feared or suspected at the time was confirmed during the 1990s Truth and Reconciliation Commission the bomb targeting the Schoons was sent by Craig Williamson an apartheid spy and high ranking member of the South African security service **Apartheid Spies and the Revolutionary Underground** is the first book length account of the assassination of Jeanette and Katryn Schoon Jeanette Curtis Schoon and Craig Williamson first met in 1973 on the Wits University campus Jeanette was a passionate student radical and part of a network of white radicals fighting apartheid Williamson had successfully infiltrated the student movement and rose within its ranks He held positions of trust first within the National Union of South African Students NUSAS and then after pretending to flee the country as an office bearer of the International Universities Exchange Fund in Sweden which helped fund many South Africans in exile The book uncovers how the lives of a group of white radicals intersected with and were impacted by the undercover security police and their operations both within and outside of South Africa Intensifying political oppression caused many young radicals to flee South Africa in 1976 many of them like Jeanette and her partner Marius Schoon joined the African National Congress in exile Williamson and the Schoons paths and those of

their comrades continued to cross he was a guest in their homes a supplier of funds for their projects a witness for the prosecution in political trials and ultimately the hand that directed targeted assassinations Williamson received amnesty for his role in the Schoons murder among other crimes For the friends and family of the Schoons and for all those seeking social justice this was an unacceptable outcome and Williamson continues to walk a free man This book attempts to show the limits of the TRC process to render healing from South Africa s apartheid past That justice has not been served to the Schoons remains a tragedy in this story of the struggle against apartheid

Messianic Zionism in the Digital Age Rachel Z. Feldman,2024-03-15 Judaism in the twenty first century has seen the rise of the messianic Third Temple movement as religious activists based in Israel have worked to realize biblical prophecies including the restoration of a Jewish theocracy and the construction of the third and final Temple on Jerusalem s Temple Mount Through groundbreaking ethnographic research *Messianic Zionism in the Digital Age* details how Third Temple visions have gained considerable momentum and political support in Israel and abroad The role of technology in this movement s globalization has been critical Feldman skillfully highlights the ways in which the internet and social media have contributed to the movement s growth beyond the streets of Jerusalem into communities of former Christians around the world who now identify as the Children of Noah Bnei Noah She charts a path for future research while documenting the intimate effects of political theologies in motion and the birth of a new transnational Judaic faith

South Africa's Weapons of Mass Destruction Helen E. Purkitt,Stephen F. Burgess,2005-05-11 South Africa s Weapons of Mass Destruction offers an in depth view of the secret development and voluntary disarmament of South Africa s nuclear biological and chemical weapons program Project Coast Helen E Purkitt and Stephen F Burgess explore how systems used for nuclear biological and chemical weapons in South Africa were acquired and established beyond the gaze of international and domestic political actors On the basis of archival evidence from Project Coast and their own extensive interviews with military and political officials Purkitt and Burgess consider what motivates countries to acquire and build such powerful weaponry and examine when and how decisions are made to dismantle a military arsenal voluntarily Questions such as how to destroy weapons safely and keep them from reappearing on international markets are considered along with comparative strategies for successful disarmament in other nation states

Israel, Palestine and the Politics of Race Yasmeen Abu-Laban,Abigail B. Bakan,2019-10-31 As the situation in Israel Palestine seems to become ever more intractable and protracted the need for new ways of looking at recent developments and their historical roots is more pressing than ever Bearing this in mind Yasmeen Abu Laban and Abigail B Bakan discuss the historic and contemporary dynamics in Israel Palestine and their international reverberations from the unique vantage point of race racialization racism and anti racism They therefore offer close analysis of the idea of Israel and the absence of Palestine by examining the concepts of race and identity in the region With fresh coverage of themes relating to gender Idigeneity the environment surveillance and the war on terror *Israel Palestine and the Politics of Race* will appeal to scholars

in political science sociology and Middle East studies Afterimages of Apartheid Kylie Thomas, 2025-10-29 Afterimages of Apartheid shows how photographs of the past can be mobilised as a critical tool for understanding the ongoing effects of apartheid in contemporary South Africa Through close readings of significant images made during and after apartheid the book shows how photography works as a means of documentation commemoration and resistance Written by one of South Africa's leading scholars of visual history the book considers the ways in which photographs can be used to contest impunity for state violence Afterimages includes chapters on the Sharpeville and Marikana massacres on the re opening of cases of human rights violations that remain unresolved in the aftermath of the South African Truth and Reconciliation Commission and on contemporary protests against the post apartheid state The book makes a powerful case for the role of photographs in drawing the viewer into the past time they represent issuing a call to the living to remember respond and react This vivid account of the photography of apartheid will be of interest to students and researchers across the fields of South African history visual studies memory studies art history photography studies and transitional justice Conflict Transformation and the Palestinians Alpaslan Ozerdem, Chuck Thiessen, Mufid Qassoum, 2016-12-01 This book explores the challenges of transforming the violent conflict between the State of Israel and the Palestinians into just peace There are many challenges involved in the bottom up transformation of the violent structures that sustain the State of Israel's occupation of Palestinian territory This book examines these structures as it assesses the actors and strategies that are contributing to the termination of cycles of violence and oppression Consisting of contributions from both peace practitioners and academics who have conducted research within Israel and the occupied territory the volume utilises a multidisciplinary perspective to examine promising strategies for conflict transformation in Israel and the occupied Palestinian territory Moreover it spells out the types of nonviolent strategy that are being used to expose and undermine occupation structures and surveys the manner in which a variety of key actors are working towards the transformation of the ongoing conflict As a whole the volume presents a proposal for the transformation of the conflict between Palestinians and the State of Israel that embraces the constructive potential of conflict engages with power asymmetry and pushes for justice and accountability This book will be of much interest to students of conflict resolution peace studies Middle Eastern studies the Arab Israeli conflict and IR in general

Preaching an Integrative Study What is prophetic preaching Is it the sermon of a charismatic exceptional human being or are
we all empowered to preach prophetically Is it authoritarian or can it be questioned is it cutting off dialogue or can it initiate
it instead Is it a speech shaped by its certain moment in history or culture so it will not be found in democratic societies or is
not even wanted or do we need prophetic preaching now to be or become the church The author examines prophetic
preaching from all angles Exegetically dogmatically homiletically from the perspective of those who preach and those who
listen to the preaching In order to do so she takes the readers on a journey to South Africa the USA and Germany She states
that it is the changing of views that makes the preaching prophetic and that makes such preaching necessary today

Nations Divided M. Feld, 2014-07-24 The anti apartheid struggle remains one of the most fraught episodes in the history
of modern Jewish identity Just as many American Jews proudly fought for principles of justice and liberation in the Civil
Rights Movement so too did they give invaluable support to the movement for racial equality in South Africa Today however
the memory of apartheid bedevils the debate over Israel and Palestine viewed by some as a cautionary tale for the Jewish
state even as others decry the comparison as anti Semitic This pioneering history chronicles American Jewish involvement in
the battle against racial injustice in South Africa and more broadly the long historical encounter between American Jews and
apartheid In the years following World War II and the Holocaust Jewish leaders across the world stressed the need for unity

and shared purpose and while many American Jews saw the fight against apartheid as a natural extension of their Civil Rights activism others worried that such critiques would threaten Jewish solidarity and diminish Zionist loyalties Even as the immorality of apartheid grew to be universally accepted American Jews continued to struggle over persistent analogies between South African apartheid and Israel's Occupation As author Marjorie N Feld shows the confrontation with apartheid tested American Jews commitments to principles of global justice and reflected conflicting definitions of Jewishness itself

Understanding Salafism Yasir Qadhi, 2025-06-12 The Salafi movement invokes fear and dread in outsiders who treat Salafism as synonymous with religious extremism For Salafis themselves it's a jealously guarded title always in danger of dilution Salafism has changed the face of Islam its ideas reach far outside its own ranks Yet popular portrayals never go beyond hackneyed stereotypes In *Understanding Salafism* Dr Yasir Qadhi delves into the origins of the movement from the earliest debates in Islam to Salafism today in both the Western and Islamic worlds In an analysis covering Salafism in the Middle East Europe the United States and Africa he illuminates Salafism's theological ideas the debates within Salafism about political participation and its relationship to other schools in Sunni Islam Table of Contents List of Figures Preface Conventions 1 Introduction A Bird's Eye View of Salafism 2 A Comprehensive History of Salafi Thought From its Origins to Modernity 3 Wahhabism and Salafism 4 Salafism and Islamism A Case Study of the Muslim Brotherhood 5 The Phenomenon of Jihadi Salafism 6 Global Salafism in the Contemporary World Epilogue Notes Bibliography Index *TEXES Bilingual Education Supplemental (164) Book + Online* Luis A.
