The Catholic Periodical and Literature Index ,2006 Book Review Index Dana Ferguson,2001 *Subject Guide to Books in Print* ,1993 **Monastic Practices** Charles Cummings,1986 Monks and nuns have preserved courtesies devotions and contemplative disciplines which the rest of the christian world has lost In this introduction to the world of the cloister Fr Cummings explains the origins and the continuing value of monastic practices *The Monastic Way* Hannah Ward,2006 A book of daily readings drawn from the writings of those who have lived the monastic life in all the major spiritual traditions of the Eastern and Western Churches Benedictine Franciscan Orthodox Carmelite and others For each month there is a specific theme Starting Out Seeking Guidance Living With Others Balancing Life and so on through the year Each theme is introduced by quotations from one of the great monastic Rules and for each day of the year there is an excerpt from the writings of a huge variety of men and women stretching across the centuries from 5th century Desert Mothers to Basil Hume Joan Chittister Thomas Merton and many more familiar and new names This is a book for all who are looking to an ancient rooted wisdom for practical guidance on living in the world today Essential Monastic Wisdom Hugh Feiss,1999 For everyone seeking to experience some of the deep tranquility of contemplative life this artfully crafted guide brings together concise selections from the great writings of the tradition from Saint Benedict to Thomas Merton It explores all the essential ingredients of monastic life in brief chapters on such themes as speech humility discernment patience longing and love By providing a brief account of how monastic life evolved and the best examples of monastic writing through the centuries from the desert fathers to the medieval nuns Julian and Hildegard to John Chittister today Father Hugh Feiss offers a rich treasury of monastic wisdom on living a full life *The Wisdom of the Cloister* John Skinner,1999-10-19 The 365 daily readings from Wisdom of the Cloister offer the serenity of monastic life to a wide audience Especially intended to serve the general reader this collection surveys the whole of Christian monasticism Included here are a full range of writings from the earliest desert mothers and fathers to contemporary monastics John Skinner author and translator of many texts of spirituality invites the reader to peruse these varied writings using the immediately accessible style of reading known as lectio divina This custom traditionally favored by monks works on the idea that inspired texts should be approached as a means for hearing God speaking through and within the text By way of this prayerful openhearted method readers may glean personal insights that are uniquely relevant and meaningful to their lives Wisdom of the Cloister is both a resource for daily inspiration and an overview of the world of monasticism Contemplative Love Kenneth Russell,2015-10-15 The spiritual life just like every other kind of life or aspect of living and being and relating begins in darkness and obscurity long before any particular awareness has started to emerge The bonds of living and relating are there long before we become consciously aware of them And as we do become aware we begin to explore and cultivate these bonds of living and relating and then the journey of discovery the adventure of seeking begins in earnest Descriptions and studies of the spiritual journey this adventure abound

not surprisingly produced for the most part by those who most professionally attend to it religious men and women and priests But of course the project is common to all human beings and one way or another more or less consciously and explicitly we all fumble through it through the varied ups and downs of a life time Some of the authors dealing with this aspect of human existence particularly in the Christian context seem to present an ordered progression with predictable laws governing it and passing through characteristic stages But it is a fairly common experience that life is not always so flawlessly organised that there are indeed ups and downs twists and turns and when we have every reason to believe that we are on a consistently ascending path darkness and disenchantment may hit and the whole project may come to appear as futile Or on the other hand when all things seem to be going wrong and the ground seems to have been pulled from under our feet we are surprised by an unexpected gift of light We are tempted to try and measure our progress but we find that we are at a loss for a measure a yardstick that comparisons are not helpful and we are in no position to make sense of the will or plan or logic of God with respect to our life The nature of a posthumous collection of studies and reflections on the various aspects of a life aimed at deepening and realising a contemplative love at the heart of everything we live through of diverse articles on varied aspects of this often unpredictable journey perhaps corresponds more closely to the fits and starts of a real spiritual life than what many a systematic treatise would have us imagine In fact we shall plunge early on into the puzzling setbacks systematicians of the spiritual life usually place further along the road after the glow of one's honeymoon with God has worn off and the initial euphoria and enthusiasm have run out of steam We will encounter the familiar figure we all know indeed whom we meet in ourselves the time filler whose sole effort seems to be to avoid getting down to the job and whose singular joy is a well stretched coffee break and a long lunch hour Acedia seems to be the Noon Day Devil most pilgrims on the way struggle with for the longest stretches the fertile ground in which all distractions temptations discouragement and habitual sins flourish
