

The image features three violinists in silhouette, playing their instruments against a solid red background. The central figure is a man, flanked by two women. They are all captured in a dynamic pose, with their bows raised and strings vibrating. The Apple logo, a white silhouette of an apple with a bite taken out, is positioned to the left of the text. The text 'Music Classical' is written in a clean, white, sans-serif font, centered horizontally and partially overlapping the musicians. The overall composition is artistic and emphasizes the classical music theme.

Spotify Teardown Maria Eriksson, Rasmus Fleischer, Anna Johansson, Pelle Snickars, Patrick Vonderau, 2019-02-19 An innovative investigation of the inner workings of Spotify that traces the transformation of audio files into streamed experience Spotify provides a streaming service that has been welcomed as disrupting the world of music Yet such disruption always comes at a price Spotify Teardown contests the tired claim that digital culture thrives on disruption Borrowing the notion of teardown from reverse engineering processes in this book a team of five researchers have playfully disassembled Spotify's product and the way it is commonly understood Spotify has been hailed as the solution to illicit downloading but it began as a partly illicit enterprise that grew out of the Swedish file sharing community Spotify was originally praised as an innovative digital platform but increasingly resembles a media company in need of regulation raising questions about the ways in which such cultural content as songs books and films are now typically made available online Spotify Teardown combines interviews participant observations and other analyses of Spotify's front end with experimental covert investigations of its back end The authors engaged in a series of interventions which include establishing a record label for research purposes intercepting network traffic with packet sniffers and web scraping corporate materials The authors innovative digital methods earned them a stern letter from Spotify accusing them of violating its terms of use the company later threatened their research funding Thus the book itself became an intervention into the ethics and legal frameworks of corporate behavior

Verkleinerung Maren Jäger, Ethel Matala de Mazza, Joseph Vogl, 2020-11-23 Kleine Formen wie das Exzerpt die Liste der Aphorismus aber auch der Scherenschnitt sind häufig Produkte von gezielten Zurichtungen des Kleinmachens Manche dieser Operationen sind von Zeit und Platzknappheit erzwungen andere folgen dem ästhetischen Eigensinn stehen im Dienst der Formalisierung oder der Konzentration auf Partikulares Die hier versammelten Fallstudien nähern sich den Eigenheiten solcher Kleinformen über die zugrundeliegenden Verfahren der Reduktion Selektion Verdichtung und Transposition Von einem dynamisierten Formkonzept ausgehend suchen sie Antworten auf die Fragen Wie wird das Kleine klein Und wie wird es Form

Giving Voice to Democracy in Music Education Lisa C. DeLorenzo, 2015-10-23 This book examines how music education presents opportunities to shape democratic awareness through political pedagogical and humanistic perspectives Focusing on democracy as a vital dimension in teaching music the essays in this volume have particular relevance to teaching music as democratic practice in both public schooling and in teacher education Although music educators have much to learn from others in the educational field the actual teaching of music involves social and political dimensions unique to the arts In addition teaching music as democratic practice demands a pedagogical foundation not often examined in the general teacher education community Essays include the teaching of the arts as a critical response to democratic participation exploring democracy in the music classroom with such issues as safe spaces sexual orientation music of the Holocaust improvisation race and technology and music teaching music teacher education as

a form of social justice Engaging with current scholarship the book not only probes the philosophical nature of music and democracy but also presents ways of democratizing music curriculum and human interactions within the classroom This volume offers the collective wisdom of international scholars teachers and teacher educators and will be essential reading for those who teach music as a vital force for change and social justice in both local and global contexts **Barron's Best Buys in College Education** ,1998 **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954** United States.
