A Biographical Directory of Professional Basketball Coaches Jeff Marcus, 2003-04-28 Coaches have played a vital yet changing role throughout basketball's professional history Biographical Directory of Professional Basketball Coaches is a comprehensive directory of all the professional coaches in the history of United States basketball Jeff Marcus provides in alphabetical order the year by year coaching records for every pro major league coach in basketball history beginning with the American Basketball League ABL which formed in 1925 and was the first league to play in larger arenas on the East Coast and in the Mid West then tracking the birth of the National Basketball League NBL from its onset in 1937 to its convergence 12 years later with the BAA forming what we know today as the NBA Brief but detailed biographical sketches are provided for every coach in these leagues A wonderful resource for basketball fans and sports buffs **Pro Basketball's All-Time All-Stars** Robert W. Cohen, 2013-03-14 The history of the NBA has been filled with superstars names known to fans and non fans alike But while comparisons between athletes who competed against each other face to face is a common occurrence in the sports world it is not quite as easy to compare players from different eras How would Wilt Chamberlain stack up against Shaquille O Neal What about LeBron James and Larry Bird or Magic Johnson and Oscar Robertson In Pro Basketball's All Time All Stars Across the Eras Robert Cohen not only examines the best players from each era but also ranks the five greatest players at each position in the history of the pro game Dividing the history of professional basketball into five distinct eras this book first describes the style of play that prevailed during each period From the slow paced rough and tumble style of play that characterized the NBA during its formative years to the up tempo high flying style that currently prevails Pro Basketball's All Time All Stars gives an in depth view of how the game has evolved For each of the five eras Cohen has selected the best players to man the five positions on the court providing career bios for each To determine the best of the best Cohen considers the level of dominance each player reached during his time in the league his individual statistics the degree to which he impacted the fortunes of his team and the extent to which he improved his teammates level of play Individual honors and quotes from teammates and opponents alike are used to support the rankings Covering NBA greats such as Bob Pettit Bill Russell Kareem Abdul Jabbar Michael Jordan and Kobe Bryant this book will appeal to basketball fans of all generations and to any NBA fan interested in the history of the game **Going Home Again** Adam Lucas, 2005-11-01 Roy Williams is awesome baby with a capital A Dick Vitale As he traveled across the state of North Carolina in the summer of 2003 Roy Williams delivered a repetitive refrain to the thousands of University of North Carolina basketball fans who packed his public appearances Ol Roy ain't that good Carolina fans didn't care to hear it because they firmly believed that ol Roy was indeed more than good he was great He was the prodigal son who served as Dean Smith's assistant coach turned down the Carolina job in 2000 and finally accepted it in April of 2003 Williams became the Tar Heels's head coach after fifteen spectacular years at Kansas and the immediate expectation was that he would find similar success in

Chapel Hill a once proud program that had stumbled under former head coach Matt Doherty But Williams knew something that it would take casual fans months to realize Teaching the team of moody basketball players to play winning basketball would be about much more than simply what happened on the court Williams had established a successful program at Kansas by connecting with the players he had recruited over their four year careers At Carolina he had less than twelve months to turn a group of talented individuals into a basketball team that could function at the highest level of NCAA competition the Atlantic Coast Conference Going Home Again is the story of Roy Williams s first season as North Carolina s head basketball coach Author Adam Lucas takes you inside the locker room and behind the scenes with the nation s most revered basketball program providing a rare glimpse into the inner workings of one of the country s most secretive college sports dynasties
