The Watch That Healed Waterloo (A Gnostic Romance) John Patrick Acevedo,2019-05-10 If you want to be the man of your good old days your life can't ease in haste or love dancing back in time forever though Because a rabbit is not Easter there are no politics to John Patrick's poetry except the misconception that weakness draws pathos or even dogmatic logos instead of ethos Because autonomous strength almost always ends with someone having to say no hard feelings instead of placing more value on the fact that meaningful talk is often pathos and hence logos or politically derived conversation Acevedo wants his readers to feel his joys and sorrows not to simply translate them into pity or envy John Patrick Acevedo Hampton Virginia

Hear No Evil Bethany Campbell,2011-10-05 Bethany Campbell the nationally bestselling author of *See How They Run* and *Don't Talk to Strangers* returns with a chilling new novel of romantic suspense in the tradition of Joy Fielding and Mary Higgins Clark Fittingly it began with a phone call Her grandmother had fallen Her grandmother was in the hospital Her grandmother needed Eden to come home and take care of business Eden knew the deal Business meant Grandma Jessie

s phone line Jessie was a phone psychic and a darn good one at that And Eden was the only one who could sound enough like Jessie so that her clientele would never know the difference But as Eden fakes her way through tarot card and astrology readings there is one caller unlike any other The voice is breathless female terrified The voice warns of explosions in distant places of fire of blood of horror The caller is in desperate danger because she knows things she shouldn't know and won't be allowed to know much longer And now Eden knows too One-Star Romance Laura Hankin,2024-06-18 A struggling writer is forced to walk down the aisle at her best friend's wedding with the man who gave her book a very public one star rating in this fresh romantic comedy from Laura Hankin Natalie and Rob couldn't have less in common Nat's a messy artist and Rob's a rigid academic The only thing they share is their devotion to their respective best friends who just got engaged Still unexpected chemistry has Natalie cautiously optimistic about being maid of honor to Rob's best man Until minutes before the ceremony Nat learns that Rob wrote a one star review of her new novel which has them both reeling Nat from imposter syndrome and Rob over the reason he needed to write it When the reception ends these two opposites hope they'll never meet again But as they slip from their twenties into their thirties they're forced together whenever their fast track best friends celebrate another milestone Through housewarmings and christenings life changing triumphs and failures Natalie and Rob grapple with their own choices and how your harshest critic can become your perfectly imperfect match After all even the truest love stories sometimes need a bit of rewriting Crocodile Tears (Paranormal Crocodile Shifter Romance) Celia Kyle,2025-09-02 Becci Shifter men are the worst After the latest one flipped out because I wouldn't give up my job as a research scientist to play house I accidentally shifted In a restaurant Into a twelve foot crocodile Yeah Not my finest moment REDS is my last shot before giving up on men entirely And they actually find me a reptile shifter hot and quiet with gila monster vibes in a good way Things are looking up Right until I got tasered outside of my lab and six goons shove me into a black van I'm blindfolded handcuffed and on a loaded onto a freaking plane with no clue who took me or why But then Boom Gunfire Chaos And I'm being carried through the jungle by my not so mild mannered date who's head I might have just tried to bite off Cal I'm done with mercenary life It's time to settle down and find a girl who doesn't mind a gila guy with a bit of a dangerous vibe I don't expect my match to be kidnapped by a bunch of paramilitary thugs Seems the mercenary life isn't done with me Good thing I brought weapons Now we're on the run in the jungle dodging bullets trading banter and trying not to die before I can convince her I'm not just the guy who blew up her captors Because Becci She's brilliant brave and beautiful and I need her to be mine Beach House Romance Cora Seton,2021-05-11 She's 27 and just hit rock bottom Emma Miller's fianc left her days before her meal delivery business went bust Now she's broke homeless and starting out all over again weighed down with debt that isn't even hers So when she learns she and her estranged sister Ashley have received an unexpected inheritance she's thrilled Now they can both move to Seahaven California and run Brightview her grandmother's rambling beachside bed breakfast She'll do the cooking Ashley can tend the Cliff Garden the attached acre of
