The Encyclopedia of Best Films Jay Robert Nash, 2019-10-23 This all inclusive A Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5 000 three to five star entries: three stars good, four stars excellent, five stars masterpiece, and yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast as well as the key principles involved in production from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre: i.e. animated, drama, sports, mystery, adventure, etc. as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection.

Falling for my Brother's Best Friend Piper Rayne, 2019-02-20 Let's say you're an independent, self-sufficient woman who runs the family company and you find yourself falling for your little brother's best friend. Now more than ever, you need to count all the reasons why you need to abandon falling. Abandon Falling 1 He's a womanizer. Hasn't had a serious relationship a day in his life and changes women more often than he changes his sheets. Abandon Falling 2 He's never serious. He cracks one-liners mostly at your expense. Abandon Falling 3 When things go wrong, he seems unfazed and always remains in control. It's so annoying. Abandon Falling 4 He has tattoos. Lots of them. Everywhere. Not to mention he owns a tattoo parlor. Damn it. Why doesn't that sound like a bad thing anymore? Abandon Falling 5 There's a growing list of how different you two are. You can't get along for fifteen minutes a lifetime together would land one of you in prison. Keep repeating those reasons and drown yourself in work. Pretend you don't notice his good qualities or how enticing he looks without a shirt and do not, I repeat, do not agree to live with the man while your place is being repaired from flood damage. Trust me, even the strongest of us can only forego temptation for so long.
