Forman Ph.D., 2015-02-26 If you begin your day intending to stick to a diet only to eat something you shouldnt before noon then its time to change course Dr Sheila H Forman Ph D an acclaimed clinical psychologist identifies the emotional obstacles that may be sabotaging your weight loss goals in this guidebook to finding a slimmer and happier you The crash course explains that there are two kinds of hunger physical and emotional and the secret to permanent weight loss is focusing on the latter By understanding your own relationship with food and confronting bad habits that hold you back youll be ready to stun friends family and yourself by losing the pounds you thought were there for good Throughout the book youll find About Me sections where you can record insights aha moments and other thoughts about what youve just read and learned about yourself Case studies about how others react to their emotions will show you that you are not alone It doesnt matter if you are a man or a woman five pounds overweight or a hundred pounds overweight you can shed pounds with *The Best Diet Begins in Your Mind* [14 Most Successful Weight Loss Program - Are They Actually working?. How To Lose Weight Fast](#) Matthew Okeke, 2021-02-02 How to lose weight by yourself Weight loss is serious business It s not an issue to be toyed with or taken too seriously Whatever

method you choose is entirely up to you and you alone You've got to take it as a task that must be accomplished over a period of time It's not an overnight affair and neither is it a quick fix You must bear in mind that gaining weight took such a long time and losing it will also require even more effort and persistence What you require is a program that is sustainable Also you've got to invest resources in acquiring information equipment and useful guidance to achieve your goal You could belong to a gym that helps you with weight loss training You also need to work with like minded fellows who would encourage you to meet your aspirations Besides you must go about it in such a way that does not put you under any psychological strain You've got to be relaxed about it and adopt the needed boost It is not easy but if you bear in mind that it is a process you will adopt the right kind of strategy to make it work

Points to Note

- A Loss weight can be fun
- B Group engagement
- C Believe in yourself
- D Congratulate yourself on any effort you made
