Agricultural Marketing and Price Analysis F. Bailey Norwood, Jayson L. Lusk, Derrell S. Peel, John M. Riley, 2021-12-20
Friendly and readable Agricultural Marketing and Price Analysis presents a comprehensive approach to agricultural price analysis agricultural market structures and agricultural marketing strategies The authors engage students with very little exposure to economics and with only a basic grasp of algebra The text utilizes a fresh approach and supplies thorough coverage of core topics as well as complex topics such as general equilibrium models game theory and econometrics It also provides an introduction to data analysis and incorporates many examples Supplemental materials are available for additional practice and further exploration Unique to the Second Edition is the inclusion of a chapter on consumer behavior and food preferences as well as relevant areas of research The authors introduce readers to the agricultural supply chain including forecasting and inventory management Succinct and approachable this text sets the stage for an enjoyable and effective learning experience

The Digital NBA Steven Secular, 2023-06-20 The National Basketball Association reaches a global audience via a multiplatform strategy that leverages its uncanny ability to connect fans to all things NBA Steven Secular brings readers inside the league's global operations and traces the history of the NBA's approach to sports media from its 1980s embrace of cable through the streaming revolution of the twenty first century As fans around the world stream games and other league content NBA teams incorporate foreign languages and cultures into broadcasts to boost their product's appeal to audiences in Brazil China and beyond Secular's analysis reveals how the NBA continues to transform itself into a wildly successful media producer and distributor more akin to a streaming studio than the sports leagues of old even as its media partners and sponsors erase any notion of sports as a civic good A timely look at a dynamic media landscape The Digital NBA shows how the games we love became content first and sport a distant second

National Basketball Association Franchises Frank P. Jozsa Jr., 2017-02-09 This book examines the development and organization of the NBA and its clubs how each club has performed in seasons and postseasons and to what extent each has prospered and succeeded as a business enterprise despite competition for market share from other types of entertainment Each chapter contains two core themes Team Performance and Franchise Business The former highlights how teams won division and conference titles and NBA championships while the latter analyzes and compares financial data including revenue gate receipts and operating income The book also explores such things as when each franchise organized and why it joined the NBA a brief profile of its current majority owner or ownership group records of teams special coaches and players attendances at home games and how their arenas rank as venues for fans This book explains why particular teams located in very large large mid-sized or small markets win more games and titles than others and when and how frequently this occurs In addition it provides ways to individually and by division or conference compare basketball franchises from a financial perspective

Sports Capitalism Frank P. Jozsa, 2017-11-28 The book focuses on how when where and why the US based

professional sports leagues extend their brands and penetrate markets in nations across the globe The book examines the strategies progress and expectations of each league despite the cultural economic and political barriers that exist between and within countries and areas It offers a model of the sports business and where appropriate the emergence evolution and growth of prominent women s sports leagues are documented This book is unique as there are no other academic publications that study and report the global ambitions of this special group of organizations in one volume Readers such as college and university sports history management marketing and international business professors students and researchers can use and apply the book as either a teaching supplement reference and or literature source It will also appeal to targeted groups beyond the academic community with strategic economic incentives to learn about sports capitalism such as sports entrepreneurs and league officials

Governance in Sport Bonnie Tiell,2025-03-28 Governance in Sport Analysis and Application Second Edition examines governance within sport organizations at all levels of sport and across industry sectors Drawing from both analytical and applied perspectives students will learn principles of good governance and ethical decision making
