Australia's Competitiveness Michael J. Enright, Richard Petty, 2016-03-15 In this in depth overview of Australia's economy Michael Enright and Richard Petty leading scholars on international competition look at the data behind the news reports to offer a complete view of Australia's stable and wealthy economy The book compares

Australia with other similarly sized OECD economies as well as other Asia Pacific economies and looks at fifteen international sources of data on competitiveness. It features a large scale survey on Australian companies and offers deep insight on the country's future in terms of economics and economic policy. Revealing an honest assessment of Australia's true position in the world, the book looks at how Australian businesses see themselves and offers policy positions for government and firms to make the most of Australia's unique global economic position. Backed by CPA Australia, one of the world's largest accounting bodies. Written by two global authorities on economic competitiveness. Captures the thinking of more than 6 000 business leaders both within and outside of Australia. Explains how Australia has weathered the global recession and looks at Australia's relationship with China. For business leaders and policy makers in need of an in depth look at the current and future state of Australia's economy, this book offers valuable and comprehensive information.
