The Underwriters' Weekly Circular, Banking and General Stock Register, 1868 **The Progress of the United States of America** Richard Swainson Fisher, 1854 The Code of Federal Regulations of the United States of America, 2004 The Code of Federal Regulations is the codification of the general and permanent rules published in the Federal Register by the executive departments and agencies of the Federal Government **Foreign Publications for Advertising American Goods** United States. Bureau of Foreign and Domestic Commerce, 1913 **Duke Ellington's America** Harvey G. Cohen, 2010-05-15 Few American artists in any medium have enjoyed the international and lasting cultural impact of Duke Ellington From jazz standards such as Mood Indigo and Don't Get Around Much Anymore to his longer more orchestral suites to his leadership of the stellar big band he toured and performed with for decades after most big bands folded Ellington represented a singular pathbreaking force in music over the course of a half century At the same time as one of the most prominent black public figures in history Ellington demonstrated leadership on questions of civil rights equality and America's role in the world With *Duke Ellington's America* Harvey G. Cohen paints a vivid picture of Ellington's life and times taking him from his youth in the black middle class enclave of Washington D C to the heights of worldwide acclaim Mining extensive archives many never before available plus new interviews with Ellington's friends family band members and business associates Cohen illuminates his constantly evolving approach to composition performance and the music business as well as issues of race equality and religion Ellington's own voice meanwhile animates the book throughout giving Duke Ellington's America an intimacy and immediacy unmatched by any previous account By far the most thorough and nuanced portrait yet of this towering figure *Duke Ellington's America* highlights Ellington's importance as a figure in American history as well as in American music *United States Economist, Dry Goods Reporter, and Bank, Railroad and Commercial Chronicle*, 1852
