Four Squares Bobby Finger,2025-06-10 From the beloved author of *The Old Place* comes a tender funny and fresh novel about a gay writer in New York City whose life is irrevocably altered once in the 90s and then again thirty years later For Artie Anderson to truly live he ll need to take a chance on himself Again In 1992 on his thirtieth birthday Artie Anderson meets the man who will change his life Artie spends his days at a tedious advertising job finding relief in the corner of New York City he can call his own even as the queer community is still being ravaged by HIV But when his birthday celebration brings Artie and his friends to his favorite bar a chance encounter with Abe an uptight lawyer and Artie s opposite in almost every way pushes Artie to want and to ask for more for himself Thirty years later Artie is stunned when Halle and Vanessa Abe s daughter and ex wife announce they are moving across the country Artie has built

a lovely if small life but their departure makes Artie realize that he might be lonelier than he previously thought When a surprising injury pushes Artie into the hands of GALS the local center for queer seniors a rambunctious group of elders insist on taking him under their wing What follows will open up Artie s world in ways unimaginable Alternating between both timelines Four Squares is an intimate look at what it means to find community at any age and a touching meditation on the aftershocks of both love and grief
