Recipient's Information

03

Lavinia Smith
Hiring Manager
Media Raven, Inc.
Ponteonville, MS 38862

Greeting

Whenever possible, address the hiring manager by name.

04

Dear Ms. Smith:

Opening

Who are you?
What are your relevant skills and accomplishments?

05

I read your advertisement for a marketing manager at Media Raven Inc. with great interest.

As J&J Company's marketing manager since 2018, I directed all phases of both the creative and technical elements of marketing initiatives including data mining, brand creation, print/web collateral development, lead generation, channel partner cultivation, customer segmentation/profiling, as well as CRM and acquisition strategies.

Body (1-3 paragraphs)

What do you know about the company?
Why are you applying for this job?
What value can you bring to the company?
Include measurable results when possible.

06

Perhaps most importantly, I offer a history of proven results, as evidenced by the following marketing accomplishments for my current employer:

- Captured a 28% expansion in customer base since 2018, achieved during a period of overall decline in the retail industry.
- Led national marketing campaign (comprised of trade show, media, and PD initiatives) of my company's newly launched technology services division.
- Developed and executed SEO strategy that achieved and sustained top 3 rankings on Google (organic, nonpaid results) for key product search terms.
- Oversaw the creation of a new company logo and rebranded 100+ products to cement a cohesive corporate identity and support new company direction.

Given the opportunity, I'm confident in my ability to achieve similar groundbreaking marketing results for Media Raven, Inc.

Closing

Reiterate your interest.
Add a Call to Action.
Mention any attachments.

07

Ms. Smith, I would welcome the chance to discuss your marketing objectives and the ways I can help you attain them. Feel free to call me at (555) 555-5555 or email me at jane.jobscan@jobscan.co to arrange a meeting. I look forward to speaking with you.

Professional sign-off

08

Sincerely,
Jane Jobscan

TOMORROW IS TODAY, A behavior modification methodology, guide, and workbook to manage the job search process Lawrence D. Alter, 1901 This 240 page workbook is a highly effective no nonsense self marketing instrument to facilitate and manage the entire job search campaign Contained in its pages are all the tools and information necessary to help your terminated employee win and keep their next job Whether or not you provide Outplacement support to your separated employees our workbook would be an excellent tool to augment their job search It provides a complete resource to help the discharged worker achieve and keep their next position FINDING A JOB IS HARD WORK It has been estimated that as many as one out of every three workers attempts to change jobs annually in the United States Out of a labor force of 153 million that represents almost 50 000 000 job seekers who are seeking new employment each year As a result the job search process is highly competitive at all levels It can be lengthy frustrating prejudicial and unfair Older more traditional job finding techniques have become less productive The traditional resume no longer has the same impact in generating the all important and often elusive interview Both the Wall Street Journal and USA TODAY have highlighted the fact that only about 15% of all professionals find a new position through responding to published advertisements or online postings another 10% through placement agencies or search firms and only 5% through unsolicited direct mail Why then would anyone focus 90% of their time and effort in areas that represent only about 30% of all potential opportunities It is not uncommon for 200 300 people to respond to help wanted advertisements Yet seldom do more than 6 to 10 people achieve interviews and after an

often lengthy process only one person gets the job Everyone else starts the whole process again Older Americans women and minorities can often face an even more difficult road due to unspoken but ever present biases There is a better way Tomorrow Is Today dispels the myth that the most qualified candidate always gets the job It points out that the person who is hired is usually the one who is liked the best This book can be a major factor in how you differentiate yourself from other candidates when the hiring decision is almost always based upon subjective factors such as the individual s personality style body language and manner of being interviewed It is an invaluable resource in helping you to achieve your next position with added features that assist in effectively managing both career growth and family issues
