Nhl Opening Night This Week Warranty:

The Diverse Worlds of Unemployed Adults Mark E. Havitz, Peter A. Morden, Diane M. Samdahl, 2006-01-01 Multi method research study shows why leisure activities are as important for the unemployed as they are for the employed Can someone who is unemployed experience leisure or does that seem like a contradiction in terms If unemployed people can experience leisure how might it mitigate the negative effects of unemployment And what form then would that leisure take The relationship between leisure and unemployment has not received the attention it merits especially in North America Because research on leisure and unemployment must cross over areas of study as well as theoretical perspectives it can often seem conflicting and inconclusive Yet the need for an understanding of that relationship remains This groundbreaking book addresses that need Mark E Havitz Peter A Morden and Diane M Samdahl describe the sometimes surprising results of their multi method study of the effects of unemployment on leisure lifestyle and well being within Canada and integrate those results with literature collected worldwide into a comprehensive picture Using in depth interviews quantitative experience sampling and standardized questionnaire data this fascinating book provides ample evidence that the lived experiences of the unemployed are incredibly diverse and the need for leisure is as intense for them as for the employed The authors also pinpoint changes in public policy and social service agency management at local provincial and federal levels that will better serve unemployed people and their dependents and enable them to use leisure activities to improve their lives

Deceptions and Doublecross Morey Holzman, Joseph Nieforth, 2002-10-01 Hockey lovers will be fascinated by the truth about how the National Hockey League was founded and how through less than savory means it captured permanent possession of the Stanley Cup Deceptions and Doublecross begins with the 1917 conspiracy among a Montreal contingent of the National Hockey Association to oust Toronto owner Edward James Livingstone from the league The result was the transformation of the NHA into the NHL with Frank Calder as president leaving Livingstone out in the cold Under Calder s iron fisted direction the NHL became the only major hockey league in North America and gained exclusive claim to the Stanley Cup *Princeton Alumni Weekly*, 1914 When the NHL Invaded Japan Steve Currier, 2022-07-08 When the NHL announced in early 1976 that its two worst teams the Washington Capitals and Kansas City Scouts would travel to Japan for a four game exhibition series dubbed the Coca Cola Bottlers Cup fans and media were baffled The Capitals and the Scouts were both expansion teams with a combined 46 wins 236 losses and 38 ties in their first two seasons stats made more dismal when considering seven of those wins were against each other Yet lagging so hopelessly behind the rest of the NHL they were perfect for a one off event on the other side of the globe The series was an eye opening success Players skated on an Olympic swimming pool ringed with rickety boards hung with fishing nets that boomeranged pucks into their faces as curious Japanese fans gasped at the gap toothed Canadians wrestling on the ice Filled with rare photos and player recollections this book tells the story of how two league doormats became hockey heroes half way around the world Total Hockey Dan
