Bloodmoon Manor Karen Wiesner, 2017-07-04 Back into the mouth of hell Daniel and Hannah Reynolds are newly married with their first child on the way when a notice comes from a lawyer saying that the remaining member of the Bonavaris clan has died and willed Bloodmoon Manor and all its possessions to Hannah, her former maid and cook. While Hannah can't fathom the reason for the bequest, the notion of selling the manor and the valuable items inside it begins to grow inside her like an obsession. She and Daniel have begun their married life with little more than outstanding debts from his medical education; debts that come due around the same time as the birth of their baby. After a lifetime of poverty, Hannah refuses to allow her child to face the kind of scavenging hand-to-mouth existence that had led to her employment at the horrible Bloodmoon Manor in the first place. Unable to convince his beloved wife to forget about returning to Bloodmoon Cove to secure a future for their family, Daniel has no choice but to follow her into what he aptly calls the mouth of hell, a place Hannah just barely escaped with her life last time. Daniel's worst fears are justified when the doors of Bloodmoon Manor slam shut behind them. They've been lured here deliberately, and the horrors that haunt the dark evil manor aren't willing to let Hannah leave ever again. **Return to Me: Last Chance Rescue Book 2** Christy Reece, 2013-02-14
