Protect Paisley Hope, 2025-12-01 A wildland firefighter reconnects in a second chance romance with his late best friend's sister the one that got away in the scorching hot second book in the BookTok viral Sky Ridge Hotshots series Let me be your twin flame love I walk into the local bar with my hotshot crew dirty and exhausted only to slam into my biggest regret The twin sister of my lost best friend and the one who got away Violette Taylor I haven't seen her in years but I haven't forgotten her either I used to be Rowan to her Now I'm just King the guy who broke her heart but not for the reasons she thinks Violette a nurse and single mom is back in town for good and working hard to avoid anyone who reminds her of the past especially a career hotshot like me But when I fall into her care after an injury lands me in her burn unit it feels like maybe it's fate I know something she doesn't life rarely offers second chances I need to protect those I love So if this is my chance to make things right I'm taking it Tropes Firefighter romance Angst Small town romance Forced proximity Second chance romance Friend to Lovers Hurt Care Workplace romance *The Scholarship Book*, 1984 **Scholarships for Average Students** Marianne Ragins, 2025-01-03 **Winning Money for College** Alan Deutschman, 1997 **MBA Scholarship Book** Steve Sed, 2014-02-11 Do you want an MBA from a great program but don't want to go into massive debt Well you can You don't have to go into debt or even pay for the degree if you get one of the MANY scholarships that schools THEMSELVES offer Read on You're conflicted You want to develop sharp business skills through an MBA program while at the same time make sound fiscal decisions The price tag of getting an MBA is hard to justify especially if the economy is not doing well You want to learn but not go into debt because of it Now this may sound crazy but you can get an MBA from a great full time program and not go into debt How Let me explain You see there are many top American MBA programs that offer unbelievable scholarships and this book contains them all This book not only saves you the time and energy to research the available scholarships but also provides detailed information on 100 MBA programs that offer scholarships fellowships and assistantships From Harvard to the University of Kentucky you should be able to find at least one scholarship from a school that catches your attention If not ask for a refund within 30 days of when you purchased this book and I'll graciously give you your money back no questions asked At this point you maybe thinking why is Steve that's me doing all of this Great question My answer is simple I want you to learn what I didn't know so you can benefit in a very large way in the future I want to save you an incredible amount of time and help you get a fantastic scholarship If I knew 6 years ago about the scholarships that are contained in this book I would have applied to my dream MBA programs gotten accepted with a scholarship and would have landed a fantastic job because of it I don't want you to give up your MBA dreams because you can't justify the cost This book details how you can cut that cost or even erase it and make money on the deal I did and you can too You may have thought that these MBA programs only give out scholarships to the top top applicants The former astronaut types with 760 GMAT scores Well I'm happy to tell you that this is incorrect The students that are chosen that is offered admittance are

selected for a variety of reasons and many schools have different criteria and selection processes For instance if the people that make up the admissions committee of a particular MBA program want to boost the school s GMAT average then they ll be looking for candidates with above average GMAT scores If the admissions team wants a diverse student body they ll look to admit more people with unique ethnicities more women more older students or more students with an interesting background If not enough qualified students are interested in a certain concentration within the MBA program say supply chain management then the admissions committee will be more willing to accept people that don t have a perfect background but express interest in pursuing a supply chain career Now there s a lot more that goes into the admissions decision such as essay quality G P A letters of recommendation and so on but the point I want to get across is if you didn t have a stellar undergraduate record didn t graduate from a well known undergraduate program didn t work in a fortune 500 company for 5 years before applying to the MBA program don t worry If your goal is to get an MBA from a good full time program you can do it and this book gives you the funding sources Don t want the book but you want to learn more Great Stay in the know about MBA scholarship developments and admissions tips Sign up GetYourMBAScholarship.com to receive these incredibly helpful bits of information
