EASYUNI Ultimate University Guide 2014 easyuni Sdn Bhd, 2014-10-31 Talk does not cook rice That s a Chinese saying and it s so true You can talk all you want about your plans but they end right there if you re unable to take steps to accomplish them With this year coming to an end it s time you gather the courage to accept where you currently stand Have you applied for the scholarship that could take some burden off your nances Have you sat for the exam that could open the door to the career of your dreams Have you attended the seminar that could guide you to your courses Have you met with the course counselor who could advise on your future career It s all about planning and working hard to make those plans a reality Nothing reveals your character more than your determination to succeed To help get things on the right track is what the easyuni com Ultimate University Guide all about We keep our readers at the core of our focus Like every issue we have some very instructive articles to guide you in making informed decisions about your future career Like the magazine you re now holding with a fresh and clean design our website has been redesigned to make it more intuitive and user friendly For instance now you not only get to see universities based on your subjects and study level but also filter your search results based on rankings tuition fees and many more preferences For example if you re looking for a university with a low fee you can just set your budget preference using our slider and find the universities which fall under your budget range Similarly if a student is looking for top universities just sort the search results by rankings It s that easy Till we meet again next year I leave you with a gem from the father of invention himself Thomas Alva Edison Genius is 1 percent inspiration 99 percent perspiration It s time for you to shine Edwin Tay Editor s Note CEO

Global University Rankings and the Mediatization of Higher Education Michelle Stack, 2016-04-12 Higher Education Institutions simultaneously critique and participate in national and international rankings of universities However this creates a difficult situation since if universities do participate in rankings they acquiesce to a system based in media logics that has little to do with academic norms of research If they do not participate in the rankings they risk losing public funding students and donors in an increasingly competitive and globalized environment This book delves into the influence of journalists business tycoons and multinational corporations in defining what world class is and how it will be measured Rankings provide us with a rich study for understanding how universities define deploy and manage their assets and liabilities in a mediatized globalized economy

EASYUNI Ultimate University Guide 2015-2016 EasyUni, By the time you get your hands on this magazine a wave of changes is expected to happen tension of the recent SPM exams would have plummeted as the holiday spirit envelops us and while everything is bright and merry some of you could be at the FACON Education Fair in KLCC this December deciding which course to take whilst silently hoping you get aces on your actual SPM results nagging thoughts you would rather muffle with the latest Star Wars movie or New Year s dinner party Nerve wracking it is change is exciting It s a cycle that all of us operate in and that s totally fine as I ve been there too Taking over the magazine with a fresh team of young writers was

a tough experience but it was a great opportunity to decide and flesh out new ideas Thoughts of failing trouble our minds but those are the very things that hinder us from growing After having said that I would encourage all of you to be recipe for change Don t be afraid to cook up some trouble

Comparative Guide to American Colleges for Students, Parents, and Counselors ,1975 **Impacts of Study Abroad on Higher Education Development** Nobuko Kayashima,Miki Sugimura,Kazuo Kuroda,Yuto Kitamura,2024-08-10 This open access book is an exceptional contribution to the burgeoning fields of higher education development and higher education internationalization as it empirically examines the impact of the study abroad experiences of faculty members on individual and institutional development The research and its outcomes presented here utilize results from a large scale survey and interviews of faculty at ten leading universities in Malaysia Indonesia Vietnam and Cambodia The analyses show that the study abroad experiences of faculty members impact not only improvements in research quality and development of educational programs but also serve as the foundation for international activities at the university crucially important in today s higher education landscape On the other hand the research reveals the rapid development of higher education at the local and regional levels including the development of graduate programs for faculty training in the home country leading to increasing rates of study abroad within Southeast Asia Through the analyses presented this book offers a new understanding of higher education development and internationalization in Southeast Asia by examining the impact of study abroad on the academic profession higher education institutions and the higher education sector
