The Hidden Story Geraldine E. Rodgers, 2000-01-01 Two different and opposite kinds of readers are developed at the very beginning stages of reading instruction as the result of different and opposite kinds of teaching One kind of reader is taught to read by the sound of print and reads automatically and with great accuracy The other kind of reader is taught to read by the meaning of print as Chinese characters are read and not only reads inaccurately but is actually encouraged to do so by so called psycholinguistic guessing The Hidden Story explains why the teaching of psycholinguistic guessing to beginning readers although it manifestly results in a life long disability has been the experts instructional preference ever since 1870 although the term itself is a relatively recent invention

Embracing All Learners: Pedagogies, Policies, and Practices for Inclusive Education in India Ms. Ruchi Sachan, Dr. Divya Sharma, Dr. Jaya SinghL, Dr. Gopa Sharma, PREFACE Education in its truest form is the great equalizer a force that has the potential to dismantle barriers transcend differences and open pathways to opportunity for all In India with its extraordinary cultural linguistic and socio economic diversity the vision of education for all is not merely an aspirational statement but an urgent mandate that requires deliberate action structural reform and a shared commitment to equity This book *Embracing All Learners Pedagogies Policies and Practices for Inclusive Education in India* emerges from the belief that inclusion is not an optional add on to the education system it is the foundation on which a truly democratic and humane society must stand Over the last two decades global frameworks such as the United Nations Convention on the Rights of Persons with Disabilities UNCRPD and national legislations like the Rights of Persons with Disabilities Act RPWD have redefined inclusion as a fundamental right rather than a charitable gesture India s policy landscape enriched by the Right to Education Act 2009 2012 and the National Education Policy 2020 has increasingly emphasized the dismantling of systemic barriers and the creation of accessible participatory learning spaces However the path from policy to practice remains uneven challenged by gaps in awareness training resources and infrastructure This book aims to bridge these gaps by offering a comprehensive context sensitive exploration of inclusion in education It moves beyond theory to present practical adaptable strategies for

iPad Cathy Burnett,Guy Merchant,Alyson Simpson,Maureen Walsh,2017-07-06 This book brings together an international
group of literacy studies scholars who have investigated mobile literacies in a variety of educational settings Approaching
mobility from diverse theoretical perspectives the book makes a significant contribution to how mobile literacies and tablets
in particular are being conceptualised in literacy research The book focuses on tablets and particularly the iPad as a prime
example of mobile literacies setting this within the broader context of literacy and mobility The book provides inspiration and
direction for future research in mobile literacies based upon 16 chapters that investigate the relationship between tablets
and literacy in diverse ways Together they address the complex and multiple forces associated with the distribution of the
technologies themselves and the texts they mediate and consider how apps adults and children work together as iPads enter
the mesh of practices and material arrangements that constitute the institutional setting
