Facebook Update Customer Service:

The Discourse of Customer Service Tweets Ursula Lutzky, 2021-10-21 The Discourse of Customer Service Tweets studies the discursive and pragmatic features of customer service interactions making use of a corpus of over 1.5 million tweets from more than thirty different companies. With Twitter being used as a professional service channel by many transport operators, this book features an empirical analysis of British and Irish train companies and airlines that provide updates and travel assistance on the platform often on a 24/7 basis. From managing crises in the midst of strike action to ensuring passengers feel comfortable on board, Twitter allows transport operators to communicate with their customers in real time. Analysing patterns of language use as well as platform specific features for their communicative functions, Ursula Lutzky enhances our understanding of customers' linguistic expectations on Twitter and of what makes for successful or unsuccessful interaction. Of interest to anyone researching discourse analysis, business communication and social media, this book's findings pave the way for practical applications in customer service.

Billboard, 2011-10-01 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital events brand. Content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

The Hidden Power of Your Customers Becky Carroll, 2011-06-28 Winning strategies to keep your existing customers coming back. A business's current customer base needs to be considered among the company's most valuable assets. Discover the practical tools to preserve and grow this asset and boost your business by tapping into The Hidden Power of Your Customers. Existing customers are the key to ongoing business growth. They are the people who already know you and buy from you. Yet too many businesses allow their existing customers' their least expensive, most easily acquired sales to slip away. Don't let this happen to you. Learn how to strengthen your business using social entrepreneur Becky Carroll's four keys to unleash The Hidden Power of Your Customers. This easy-to-read and practical guide features useful steps, inspirational stories and real world examples so you can create a customer strategy that keeps customers coming back and telling their friends and colleagues. Reveals four keys to success: relevant marketing, orchestrated customer experience, customer-focused culture and killer customer service. Details a fundamental shift that needs to take place in how businesses treat their existing customers. The author writes the blog Customers Rock and is the Social Media Correspondent for NBC 7 San Diego.
