Wild Words Volume 6 Leitrim County Council Arts Office, 2018 A collection of writing by young people produced as part of the Wild Words Children's Book Festival Carrick on Shannon Co Leitrim Ireland *Representation of Disability in Children's Video Games* Krystina Madej, 2024-01-10 Representation of Disability in Children's Video Games looks at how children's engagement with characters and stories in video games helps create the perception of disability they have as teens and adults Drawing on child development theory supported by neuroscience the book shows how the scaffold of information the schema adults have of disability is first created at a very young age as they interact through play with characters with disabilities in narrative video games Positing that early video game play experiences should provide exposure to narrative schemas that add understanding and help create meaning about the disability represented the book presents how such representation in children's video games maps against cognitive development and the psychomotor and cognitive needs and abilities of children 3-12 Through close readings of over 40 PEGI 3 and PEGI 7 ESRB E 10 games and analysis of games as diverse as Backyard Baseball and Sly Cooper the author defines broad categories of representation representation as cosmetic providing exposure but not game play utility as incidental used as a device that provides purpose for the narrative or as more authentically representing the disability as integral to the character and their life The book provides readers with an overview of contemporary games that betters their understanding of how children's games present disability and how children create their perceptions through interaction with characters and stories This book will be of interest to academics and students of game studies in topics such as behavioural science ethics and HCI as well as in sociology communications and digital media It is pertinent in particular to game developers and to educators disability advocates parents and policy makers

AllAnimals, 2006 Your Sad Eyes Ajax Von, 2024-11-28 Mark's marriage is over but the pain of betrayal still clings to him. His ex-wife Tamra is relentless, using their children and shared history as weapons to keep him tied to the past. Every argument feels like a battle he can't win, and the scars of their toxic relationship run deep. Haunted by depression, guilt, and the question of whether he could have saved his marriage, Mark struggles to rebuild his life. He wants to be a good father, but Tamra's manipulations and his own inner demons threaten to pull him under. As secrets come to light and old wounds reopen, Mark faces a choice: let the weight of his past break him or find the courage to heal. When a new relationship offers a glimpse of hope, Mark must confront the darkest corners of his heart. Can he forgive himself for the mistakes he made? Can he let go of the woman who betrayed him? And can he find the strength to create a new future for himself and his children? *The Return* Angus McMillan, 2015-02-27 A great power has awoken one that will change the face of The Crescent forever. A prophecy foretold a thousand years ago will soon come to pass. Max Akurai watched his entire life get destroyed when he was ten years old. Since then, all he wants to do is live long enough to become a member of a deadly group of assassins called the Ajnin. But he has to survive their training first and try to unravel the mysteries of a strange creature that haunts his dreams. Will he ever learn the truth for himself? Or will fate be denied for another generation? An Honorable German Charles McCain, Charles L. McCain, 2009-07-25 A truly epic and stirring tale of war, love, and the sea. An original and surprising look at World War II from the other side. Nelson DeMille. When World War II begins, Max Brekendorf, a proud young German naval officer, fights for his country with honor and courage. With the unstoppable German war machine overrunning Europe, Max looks ahead to a bright future with his fiancée, Mareth. But as the war progresses, their future together becomes less and less certain. German victories begin to fade. In the North Atlantic, Max must face the increasing strength of the Allies on ever more harrowing missions. Berlin itself is savaged by bombing, making life for Mareth increasingly dangerous and desperate. And as the Third Reich steadily crumbles, Nazi loyalists begin to infiltrate Max's crew and turn their terror on Germany's own armed forces. Recognizing what his nation has become, Max is forced to make a choice between his own sense of morality and his duty to the Reich. With its stirring, rarely seen glimpse of the German home front during WWII, vivid characters, and evocation of the drama and terror of war at sea, *An Honorable German* is a suspense-filled story of adventure, of love and loss, and of honor and redemption. A fast-paced, old-fashioned naval yarn that crackles with authenticity, *An Honorable German* will leave the taste of salt on your tongue as you breathlessly turn the pages. A first-class tale that aficionados of the Second World War will find especially satisfying. I enjoyed it immensely. Christopher Reich, New York Times bestselling author. Outstanding maritime action sequences. Publishers Weekly **Tools of Titans** Timothy Ferriss, 2016 Fitness, money, and wisdom here are the tools.
