Box Office Streaming Top Shows Usa:

World Entertainment Media Paolo Sigismondi, 2019-07-25 This new book offers an insightful guide into the complex tapestry of global entertainment media markets It features analyses and case studies from leading international media scholars who explore the causes and effects of globalization upon this ever evolving industry There are still opposing and restraining forces to globalization processes taking place in media and the global mediascape comprises international regional and local markets and global and local players which in recent years have evolved at an uneven pace By analyzing similarities and differences in a landscape where driving forces of globalization meet locally situated audiences and institutions this volume unveils a complex contested space comprising global and local players whose success is determined by both their national and international dimensions It guides its readers to the geographical and intellectual exploration of the international media landscape analyzing the global and local media players and their modus operandi Editor Paolo Sigismondi s insightful engaging collection presents a compelling and novel approach to the analysis of global entertainment media World Entertainment Media Global Regional and Local Perspectives is an ideal starting point for students and practitioners alike looking to build a solid understanding of the global mediascape and a great resource for instructors and scholars in global media entertainment

The South Korean Film Industry Sangjoon Lee, Dal Yong Jin, Junhyung Cho, 2024-08-08 As shown by the success of Squid Game and Parasite South Korea s film industry is producing films and original series for streaming services film studios and television stations worldwide South Korea is now arguably considered one of the few countries outside the United States to have captivated the world s hearts and minds through pop music TV dramas and film Similarly the exponential growth in the South Korean film industry has been mirrored by a growing body of industry and film policy forums and academic conferences in both the East and the West The South Korean Film Industry is the first detailed scholarly overview of the South Korean film industry The thirteen chapters discuss topics from short films to popular television series that have engaged global audiences Contributors explore the major changes in South Korean film making marketing and in the international growth and popularity of South Korean films By bringing together a wide range of academic specialists The South Korean Film Industry situates the current scholarship on South Korean cinema within the ongoing theoretical debates in contemporary global film studies This volume will be widely read in undergraduate and graduate classes related to Korean and East Asian studies cinema and media studies cultural studies and communication studies Moreover many institutions offer dedicated modules on South Korean cinema media and popular culture for which The South Korean Film Industry will be ideal

American Cinema of the 2010s Dennis Bingham, 2021-12-10 The 2010s might be remembered as a time of increased polarization in American life The decade contained both the Obama era and the Trump era and as the nation s political fissures widened so did the gap between the haves and have nots Hollywood reflected these divisions choosing to concentrate on big franchise blockbusters at the expense of mid budget films while new players

like Netflix and Amazon offered fresh opportunities for low budget and independent filmmakers As the movie business changed films ranging from American Sniper to Get Out found ways to speak to the concerns of a divided nation The newest installment in the Screen Decades series American Cinema in the 2010s takes a close look at the memorable movies visionary filmmakers and behind the scenes drama that made this decade such an exciting time to be a moviegoer Each chapter offers an in depth examination of a specific year covering a wide variety of films from blockbuster superhero movies like Black Panther and animated films like Frozen to smaller budget biopics like I Tonya and horror films like Hereditary This volume introduces readers to a decade in which established auteurs like Quentin Tarantino were joined by an exceptionally diverse set of new talents taking American cinema in new directions

The Global Film Market Transformation in the Post-Pandemic Era Qiao Li, David Wilson, Yanqiu Guan, 2023-05-04 This book reviews the development and performance of the global film industry during the COVID 19 pandemic and examines new trends in film production distribution and consumption through a global lens The COVID 19 pandemic has had a substantial impact on the global film industry since the beginning of 2020 There has been significant transformation in terms of film production distribution and consumption Hollywood like many national cinemas across the globe has suffered the most significant impact at all levels the interruption of new film productions shutdowns of movie theatres in many countries and delays in the release of new films among them Many movies made for cinemas were forced to move from release in theatres to various streaming platforms and nontraditional production companies continued to grow their market share This book places the global film industry in a post Pandemic context It provides detailed analyses of specific systems of film production distribution and consumption in national cinemas as well as in Hollywood while also engaging with the key theoretical and methodological questions from the film studies literature This volume is a critical reference for students and scholars of film studies and general readers who are interested in the new trends and transformation of the global film industry in a post pandemic era The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license
