

SURVEY HISTORY OF CANADA: THE MODERN ERA, 1930 TO THE PRESENT

Caitlin Badillo

The Winter Years- Interwar Canada and the Great Depression 1918-1939

January 8, 2018

Canada after World War I

1.1 Post War Depression

- After World War I, Canada mired a deep depression which lasted from 1918-1924.
- The economy went to halt, this was the worst depression since the 1870's
- Few provisions were made for returned soldiers, unemployment was high, housing was scarce, and there were few programs for the disabled
- In the 1920's, it was common for soldiers to be homeless while still wearing their army uniform since they had nothing else to wear
- There was an acceptance of state-led economic planning but few believed that government played a role in peacetime economy
- Planners assumed that the depression would have run its course and that the economy would eventually correct itself
- Businesses reversed gains that workers had made during the War, they took advantage of the unemployment rate

1.2 Canada after World War I

- Through 1918-1919 there were many strikes due to the unemployment rate and the state of veterans
 - o This time period was called the "Workers Revolt"
- In June of 1919, the biggest strike had happened. The Winnipeg General Strike, were suppressed by a panicked government fearful of revolution
- The government were very violent during this time period. Left wing political parties were outlawed, and the RCMP and militia violently to put down strikes across Canada

The Roaring 20's

2.1 The Roaring 20's

- By the mid-1920's the economy had recovered
 - o This is due to three factors
 - Export growth: as the US economy had already recovered, the Americans had lowered tariffs on Canada's imports
 - Increased industrial productivity: resulting from electrification, mechanization and new technologies
 - The rise of service economies: banks, hotels, restaurants, retail shops, theatres, etc. expanded commerce

2.2 The Rise of Mass Consumer Society

- Growth in service economy is tied to urbanization and the emergence of a mass consumer society
- 1921 was the first year where Canada urban population exceeded the rural one
- The new economy and society created many more opportunities for people
 - o Especially women
- Cheap entertainment and affordable consumer goods created a sense of optimism and progress
- Radio, movies, magazines and newspaper increased in selling
- Cabaret shows, jazz clubs and dance halls a less formal social scene where gender and class lines blurred and society's rules became more relaxed
- Citizens started doing things like window-shopping, or they would go to the movies to learn how to behave and dress
- The radio came in 1921, and by the 1925 75% of households had radios
 - o The Radio content were mostly sponsored by sponsored goods
 - Ex. Soap

Capitalism in Crisis

3.1 The Global Financial Crisis

- The roaring twenties only brought around five years of prosperity
- The difference in wages meant that there was a huge gap level between rich and poor
- Eventually inflation caught up with flat wages
