Understanding U.S. Military Conflicts through Primary Sources James R. Arnold,Roberta Wiener,2015-11-12 An easily accessible resource that showcases the links between using documented primary sources and gaining a more nuanced understanding of military history Primary source analysis is a valuable tool that teaches students how historians utilize documents and interpret evidence from the past This four volume reference traces key decisions in U S military history from the Revolutionary War through the 21st century conflicts in Afghanistan and Iraq by examining documents relating to military strategy and national policy judgments by U S military and political leaders A comprehensive introductory essay provides readers with the context necessary to understand the relationship between diplomatic documents military correspondence and other documentation related to events that shaped warfare diplomacy and military strategy Once the stage is set the work covers 14 conflicts that are significant to U S history Treatment of each of the conflicts begins with a historical overview followed by a chronology and approximately 30 primary source documents presented in chronological order Each document is accompanied by a description and annotations and by an analysis that highlights its importance to the event or topic under discussion Designed for secondary school and college students the work will be exceptionally valuable to teachers who will appreciate the ready made lessons that fit directly into core curriculum standards *Die Skins* Klaus Farin,1997 **Skiing** ,1983-10 **America's Post-Truth Phenomenon** C.G. Prado,2018-04-19 This book presents absorbing and critical expert perspectives on the post truth phenomenon that has infiltrated the U S political system media and populace Deception in politics is nothing new but the quantity of unsubstantiated statements in America today is unprecedented False notions fake news alternative facts and opinions are being pitched from sources including the White House Congress and the American population via Twitter Facebook and online news sites as well as print television and radio Such a widespread spectacle instantly captures the attention of people nationwide but disagreement has the nation almost bordering on civil war over the definition of the truth and what this book calls post truth In this text C G Prado and expert contributors present varied perspectives on post truth its authoritarian implications for the nation and how we can approach information to differentiate between truth and post truth Speaking to general readers students and scholars alike chapters

include text on the historical and social events that initiated and developed post truth and why some people are more prone than others to accept and perpetuate post truth They also discuss post truth as a threat to democracy DK National Parks of the USA DK Travel,2024-08-22 Get closer to the National Parks of the USA with DK Eyewitness A night spent stargazing in Joshua Tree Standing on the rim of the Grand Canyon Wildlife spotting from an airboat in the Everglades With 63 national parks to explore the USA offers enough bucket list experiences to fill a lifetime Whether you plan to visit them all or choose a few favourites this DK Eyewitness travel guide is the perfect companion This new first edition brings the parks to life transporting you to each one like no other travel guide does with expert led insights trusted travel advice detailed maps photographs on practically every page and our hand drawn illustrations which explain the parks geology You ll discover Our pick of the top experiences to have in the national parks The best spots to eat drink shop and stay Detailed maps and tours that make navigating the parks easy Easy to follow itineraries Expert advice get ready get around and stay safe A lightweight format so you can take it with you wherever you go Spending more time in the USA Try DK Eyewitness USA DK is the world s leading illustrated reference publisher producing beautifully designed books for adults and children in over 120 countries

through the first decade of the new millennium with the same thorough intense and lively scholarship that characterized Partridge's own work. Unique, exciting and at times hilariously shocking, key features include unprecedented coverage of World English with equal prominence given to American and British English slang and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland and the Caribbean, emphasis on post World War II slang and unconventional English, published sources given for each entry often including an early or significant example of the term's use in print, hundreds of thousands of citations from popular literature, newspapers, magazines, movies and songs illustrating usage of the headwords, dating information for each headword in the tradition of Partridge commentary on the term's origins and meaning. New to this edition: A new preface noting slang trends of the last five years. Over 1 000 new entries from the US, UK and Australia. New terms from the language of social networking. Many entries now revised to include new dating, new citations from written sources and new glosses. The New Partridge Dictionary of Slang and Unconventional English is a spectacular resource infused with humour and learning; it's rude, it's delightful and it's a prize for anyone with a love of language.

Street Style in America Jennifer Grayer Moore, 2017-08-18 A comprehensive resource that will prove invaluable to fashion historians, this book presents a detailed exploration of the breadth of visually arresting, consumer-driven styles that have emerged in America since the 20th century. What are the origins of highly specific denim fashions such as bell bottoms, skinny jeans and ripped jeans? How do mass media and popular culture influence today's street fashion? When did American fashion sensibilities shift from conformity as an ideal to youth-oriented standards where clothing could boldly express independence and self-expression? *Street Style in America: An Exploration* addresses questions like these and many others related to the historical and sociocultural context of street style, supplying both A-Z entries that document specific American street styles and illustrations with accompanying commentary. This book provides a detailed analysis of American street and subcultural styles from the earliest example reaching back to the early 20th century to contemporary times. It reviews all aspects of dress that were part of a look, considering variations over time and connecting these innovations to fashionable dress practices that emerged in the wake of these sartorial rebellions. The text presents detailed examinations of specific dress styles and also interrogates the manifold meanings of dress practices that break from the mainstream. This book is a comprehensive resource that will prove invaluable to fashion historians and provide fascinating reading for students and general audiences.

Entzauberung: Skizzen und Ansichten zu den USA in der Ära Obama Tobias Endler, Martin Thunert, 2015-11-16 Die letzte Supermacht der Erde durchlebt stürmische Zeiten und die Erschütterungen sind auch auf unserer Seite des Atlantiks zu spüren und nicht minder im Pazifik. Doch was bedeutet das für die Vereinigten Staaten von Amerika und was für Deutschland? Tobias Endler und Martin Thunert nehmen die aktuellen Entwicklungen unter die Lupe.
