Crash Course in Readers' Advisory Cynthia Orr, 2014-12-05 One of the key services librarians provide is helping readers find books they ll enjoy This crash course will furnish you with the basic practical information you need to excel at readers advisory RA for adults and teens The question can you recommend a good book can be one of the most daunting you face notwithstanding the fact that recommender tools are ubiquitous Often uncertainty arises because although librarians are called on to perform such services daily readers advisory is a skill set in which most have no formal training This guide will remedy that It is built around understanding books reading and readers and will quickly show you how to identify reading preferences and advise patrons effectively You ll learn about multiple RA approaches such as genre appeal features and reading interests and about essential tools that can help with RA Plus you ll discover tips to help you keep up with this ever changing field There is no other professional book that covers the full spectrum of skills needed to perform the RA service that is in such great demand in libraries of all kinds Helping readers find what they want is a sure way to serve patrons and build your library s brand You will come away from this easy to understand crash course with the solid background you need to do both

[How to Self-publish and Market a Children's Book \(Second Edition\)](#) Karen P Inglis, 2021-05-19 An indispensable easy to read resource from international bestselling children s author Karen Inglis A masterclass all wrapped up in a book Have you written a children s story that you can t find a home for Do you need help with your early self publishing journey or with more advanced children s book publishing and marketing strategies Are you traditionally published but curious about other options If you answered yes to any of these questions you re in the right place How to Self publish and Market a Children s Book Second Edition provides practical in depth guidance and key strategies for self publishing in print eBooks and audiobooks and for selling more children s books face to face and online After reading this book you will understand How you

can self publish your children's story at little or no cost Why print matters for children's self publishing but why eBooks are also critical for marketing Why it's important to work with professional children's editors illustrators and cover designers and where to find them How to set up successful school visits and other events and how to plan and run virtual events Best practice and expectations for getting into bookshops Which tools and platforms can help with your book marketing including key strategies for Amazon ads and other advertising How to get reviews How to create and market children's audiobooks When and how to approach translation and foreign rights Options for upfront printing and who this is suitable for Where to find other self publishers for ongoing support and advice Self published international bestselling children's author Karen Inglis has sold over half a million children's books in print over 20 000 eBooks and over 8 000 audiobooks Her popular middle grade time travel adventure *The Secret Lake* is now in translation in nine languages and its long awaited sequel 2022 has received glowing reviews and very strong early sales Karen's picture book *The Christmas Tree Wish* was shortlisted for the 2020 UK Selfies Award for best self published children's book Her most recent picture book *The Tell Me Tree* has received praise from teachers and parents alike for helping children talk about their feelings and is being used in UK classrooms As well as writing for children Karen has over 30 years experience as a professional copywriter and writing training consultant Her ability to organise and explain topics in plain English won her praise and over 100 5 star reviews for the first edition of this book This expanded and updated edition for 2021 which now includes virtual events audiobooks foreign editions and detailed advertising strategies as well as more tools and platforms to help with your book marketing will not disappoint One reviewer described the first edition as A masterclass wrapped up in a book We think that pretty well sums up the second edition too With everything together in one place and a comprehensive table of contents to help you quickly find what you need How to Self publish and Market a Children's Book Second Edition provides a powerful ready reference that you can come back to again and again How to Market a Children's Book standalone edition if you understand self publishing If you are a seasoned children's book self publisher and are looking only for marketing support search for How to Market a Children's Book by Karen P Inglis This separate edition also released in May 2021 incorporates the marketing content of the combined book It assumes you fully understand the various self publishing options and distribution processes for print eBooks and audiobooks

How to Market a Children's Book Karen P Inglis, A practical guide to all aspects of children's book marketing from bestselling children's author Karen Inglis Whether you've just published your first children's book and aren't sure where to start with marketing or are struggling to increase sales of your existing titles *How to Market a Children's Book* is here to help Packed full of practical guidance and drawing on over 10 years experience of children's book marketing by international bestselling children's author Karen Inglis it offers a trusted resource for you to return to again and again for support with both offline and online marketing and advertising strategies This book assumes you already fully understand the various self publishing options and distribution processes for print eBooks and audiobooks or that you are a

traditionally published children's author looking for new ideas to help promote your book's. If you also need guidance on the self-publishing process, look instead for Karen's combined flagship publication *How to Self-publish and Market a Children's Book* Second Edition. After reading *How to Market a Children's Book*, you will understand how to establish your brand locally and why this is important, how to get reviews both at and after your children's book launch, how to set up successful school visits and other face-to-face events, how to plan and run virtual school visits or other online events, best practice and expectations for getting into bookshops, why and how eBooks should be part of your print book marketing strategy, which tools and collaborative platforms can help your children's book marketing, how to use email marketing including staying within data protection rules for minors, key strategies for Amazon advertising and why this is the best place to start, other social media and advertising options including Facebook, Instagram, and Pinterest, audiobook marketing, your key options, translation and foreign rights as part of an advanced marketing strategy. Karen Inglis is a successful self-published author of picture books, illustrated chapter books, and middle-grade novels. Her time-travel adventure *The Secret Lake* has sold over 450,000 English language print copies worldwide, close to 20,000 paid eBook copies, and over 8,000 audiobooks. She has also sold rights to eight countries and overseen its translation into German, where *Der verborgene See* is an Amazon.de bestseller at the time of writing in 2022. Each of Karen's picture books and chapter books has sold in their thousands through a combination of school visits, bookshop sales, and online sales. Karen's picture book *The Christmas Tree Wish* was shortlisted for the UK Selfies Award for best self-published children's book in 2020. Her most recent picture book *The Tell Me Tree* has received praise by parents and teachers alike and is being used in UK classrooms to help children talk about feelings. Karen has presented on children's self-publishing at conferences around the UK and is Children's Advisor at The Alliance of Independent Authors.

Lifework Wright, Drew Taylor, 2018-12-15 *Lifework* is a step-by-step guide to find work you love, make money, and make a difference. Part book, part journal, it is a hands-on, action-oriented guide to navigate your career journey.

Together with the accompanying mentoring moments, these prayers provide rich soil in which your spiritual roots can grow deep.

[Raising Kids Who Read](#) Daniel T. Willingham, 2015-02-24 How parents and educators can teach kids to love reading in the digital age. Everyone agrees that reading is important, but kids today tend to lose interest in reading before adolescence. In *Raising Kids Who Read*, bestselling author and psychology professor Daniel T. Willingham explains this phenomenon and provides practical

solutions for engendering a love of reading that lasts into adulthood Like Willingham s much lauded previous work Why Don t Students Like School this new book combines evidence based analysis with engaging insightful recommendations for the future Intellectually rich argumentation is woven seamlessly with entertaining current cultural references examples and steps for taking action to encourage reading The three key elements for reading enthusiasm decoding comprehension and motivation are explained in depth in Raising Kids Who Read Teachers and parents alike will appreciate the practical orientation toward supporting these three elements from birth through adolescence Most books on the topic focus on early childhood but Willingham understands that kids needs change as they grow older and the science based approach in Raising Kids Who Read applies to kids of all ages A practical perspective on teaching reading from bestselling author and K 12 education expert Daniel T Willingham Research based concrete suggestions to aid teachers and parents in promoting reading as a hobby Age specific tips for developing decoding ability comprehension and motivation in kids from birth through adolescence Information on helping kids with dyslexia and encouraging reading in the digital age Debunking the myths about reading education Raising Kids Who Read will empower you to share the joy of reading with kids from preschool through high school

Realizing Strategy through Projects: The Executive's Guide Carl Marnewick,2018-01-02 Executives should not necessarily know the intricacies of project management but they should know how project management as a discipline can benefit the organization in implementing its strategies and realizing its vision The only way that executives can effectively apply project management to realize these goals is to have sound knowledge of the project management discipline The purpose of this book is to provide executives with a comprehensive overview of the discipline of project management It focuses on the benefits of project management to an organization The goal is to provide executives with a view as to how project management can deliver organizational strategies The various chapters focus on specific aspects within the project management discipline and how each aspect should be managed from a business perspective The book covers the entire spectrum of project management from a management and leadership perspective The focus is not necessarily on what needs to be done from a project management perspective but on what organizations and senior executives can do to facilitate projects The book covers The value of project management Project management as a strategic enabler Project program and portfolio management The role of the project management office in the successful delivery of projects programs and portfolios The benefits of project deliverables bring Sustainability of the organization Governance and the role of the project sponsor The book concludes with a comprehensive portfolio program and project management framework This holistic framework enables organizations to achieve value from project management and realize strategic goals

Choosing Faith John W. Saultz,2019-05-16 A belief is a judgment that we assume to be true when making life decisions Our beliefs cannot conclusively be proven true or false Beliefs can be as simple as our preference for food or as profound as our religious beliefs How are beliefs different from knowledge or opinion How do beliefs develop and change over time and how do they become

the foundation of our purpose in life This book is divided into three sections The first explains how beliefs are formed in childhood and modified and adapted when we become adults The second section explores different types of belief and introduces the notion of moral beliefs about right and wrong and religious beliefs about the existence and nature of God The final section of the book explains how beliefs are prioritized into a faith that becomes our framework for making life decisions The beliefs we hold most dear form the building blocks of our purpose in life We have the freedom to choose our beliefs so we have the freedom to choose our purpose The goal of this book is to help the reader think deeply about this process and explore the meaning of this freedom

Music with Expressive Power Paul James,2024-10-02 People worldwide love to enjoy their preferred lifestyle Music is a powerful lifestyle choice It helps people shape and share their experiences Music evolves as does technology culture and the music business This book helps the reader to understand the changes to music and audio reproduction Enabling them to make informed choices about music and the audio equipment they use Thereby gaining richer musical experiences This book explains why high quality reproduction of music is hard It identifies some factors that influence the quality of reproduction such as careful listening Often discussions about music and audio ignore the role of the listener Yet a person s disposition sensory awareness and attention affect how they perceive music and what they experience from it As well as music students teachers and musicologists the book will appeal to those with a passion for quality music and the quality reproduction of music

Reading's Non-Negotiables Rachael Gabriel,2013-02-07 A small set of important practices should be considered non negotiable elements of daily reading instruction The research base of these non negotiables is described along with practical examples of their application The non negotiables do not require additional materials time or funding but can be integrated into any program in order to ensure every student has access to effective literacy instruction This book can be used as a guide for program design and evaluation as well as a source of ideas and reassurances for those currently engaged in the ongoing pursuit of effective literacy instruction for every reader every day

Leadership Eduardo E. Mariscotti, 2020-05-13 The context of business has been changing for companies in recent years and following numerous corporate and accounting scandals many countries have increased the number of national and international regulations designed to ensure transparency and compliance with the law Because of the existence of these new regulations the level of control the severity of sanctions by governments and the amount of the fines for noncompliance have increased dramatically In parallel with the technological revolution in communications business management has become more transparent and any negative event is uploaded to social networks and shared with an indeterminate number of people This change in the regulatory sanctioning and technological context has forced large companies to rethink risks investments and budgets to deal in this more complex environment To transition to this change some companies have included ethics and compliance programs in their corporate agenda along with marketing and sales plans strategies growth targets investment plans and or talent acquisition While each industry has its particular risks in this book the author describes the essential elements that any effective ethics and compliance program should contain This book is a source of information that connects yesterday with today The author shares observations and lessons of the past to suggest corporate leaders implement effective ethics and compliance programs to protect their organizations and themselves The book covers theories of ethics but with an eye focused on practical application Risks ethics and compliance are analyzed with an overall vision connected to the reality of business life without getting bogged down in abstract thinking or in technical and regulatory details Ethics and compliance are disciplines that have increasingly achieved greater recognition in organizations Thus due to the importance of risk management in the business world and the necessary involvement of the CEO and the board of directors it seems appropriate that executives get access to a book about risks ethics compliance and human resources directed not only to compliance experts but also to any organizational leader This book is a wake up call that allows business leaders to understand the benefits of implementing an effective ethics and compliance program that will help members of organizations to make the right decisions and act within the law If they do they can better prevent and react to the difficult obstacle course of risks dangers and threats that organizations face and that may jeopardize the sustainability resilience and survival of companies
