C. Steven Roaf,2011-04-08 Is it truly possible for a man to live an entire life and then leave this earthly existence with no mark The story of the purposeful life of a common man begins with an unwed mother in Victorian era New England and her illegitimate son This boy of humble beginnings eventually grew to be a man neither famous nor wealthy but one who left a lasting legacy that still inspires others today even some twenty five years after his death C Steven Roaf s grandfather could be gruff or comical occasionally possessing the anger of a raging bull and often relying on an impish smile to reveal his mischievous intentions Like many others who have lived unnoticed by much of the world Chester Warren Roaf unknowingly influenced his grandson as a second father companion and hero Beginning with his genealogy and continuing with anecdotes Roaf offers a glimpse into the valuable life lessons that still ring true while exploring traditional values seemingly rare in today s society Tribute to a Common Man not only shares the inspiration behind a touching bond between a grandfather and grandson but also serves as a memorial to a life more full of love than fame *American Independent Baker ,1946 Click Here to Order* Joel Comm,2008-08-01 A look at pioneering marketers on the web from a New York Times bestselling author and entrepreneur While most of us are familiar with large Internet companies such as Yahoo Google eBay and Amazon very few are aware of the thriving world of small businesses online especially in the realm of information products Click Here to Order creates an entertaining and instructive narrative that provides an in depth look at the history of the unintentionally underground movement known as infoproduct marketing and the people who have profited and succeeded in the industry
