experience Using Microsoft Word 2010, Enhanced Edition Tim Huddleston, 2011 **International Legal English**
Rupert Haigh, 2020-12-22 English is the dominant language of international business relations and a good working knowledge of the language is essential for today's legal or business professional. This book provides a highly practical approach to the use of English in commercial legal contexts and covers crucial law terminology and legal concepts. Written with the needs of both students and practitioners in mind, this book is particularly suitable for readers whose first language is not English but need to use English on a regular basis in legal contexts. The book covers both written and verbal legal communication in typical legal situations in a straightforward manner. In addition to chapters on the grammar and punctuation utilised in legal writing, the book features sections on contract drafting and the language used in negotiations, meetings and telephone conversations. It features a companion website which contains exercises covering the majority of the topics covered in the book's chapters. This edition thoroughly revises and expands the content of the companion website and contains updated examples, more detailed explanations of problematic areas and an expanded section on writing law essays. *Find a Job in Australia*, 2014-07-12 It is overwhelming how difficult it can be to find a job in Australia whether you are seeking employer sponsorship or already have PR, WHV or working rights for Australia. The frustration I have felt over the years for people in this situation is what led to the birth of this introductory book *Find a Job in Australia*. The aim of this book is to do just what it says to help people find jobs in Australia and to introduce them to some of the strategies that have assisted other people to land a job in Australia. There are definitely some secrets to successfully securing a job in Australia; otherwise you'd have one already. This book will not only help you determine whether you qualify to migrate to Australia but also prepare you for applying for jobs in Australia as well as help you to develop a successful job application strategy to ensure that you secure your ideal job in Australia as quickly as possible. This book is an introduction to some of the key points that you will need to consider when applying for jobs in Australia and how to be successful in your endeavour to secure employment. You will learn what some of the strategies that other people have used to find a job in Australia are and use their tips to apply to your own job search. The book concludes with *Where to Next* so that you have a choice of paths to walk down once you know where you're going. You are worth that job and life that you really want in Australia and this introductory book will point you in the right direction to achieve it. This is a second edition of the original book including new insights into preparing yourself for a successful job search to Australia including checklists, extra success stories and tasks to complete. *Using Artificial Intelligence Absolute Beginner's Guide* Michael Miller, 2024-11-27 *Using Artificial Intelligence Absolute Beginner's Guide* Who knew how simple AI could be? *Using Artificial Intelligence Absolute Beginner's Guide* will have you getting the most of popular AI tools in no time.
