Darker Than the Deepest Sea Trevor Dann,2006-09-12 When Nick Drake 1948 1974 died of a drug overdose at twenty six he left behind three modest selling albums including the stark Pink Moon and the lush Bryter Layter Three decades later he is recognized as one of the true geniuses of English acoustic music Yet Nick Drake whose music was as gentle and melancholy as the man himself has always maintained a spectral presence in popular music This groundbreaking biography reconstructs a vanished life while perfectly capturing the bohemian scenes surrounding the music business in London in the late 60s and early 70s Using many newly discovered documents and all new interviews Trevor Dann reveals more detail on Nick Drake than ever from his upbringing in a quintessentially English village through his hash fueled school days at Cambridge University to the missed opportunities and mismanagement that defined his career Friends and colleagues describe the difficulties that he faced as each new album was released only to fail and the insidious despair that consumed him Complete with discography and rare photos **Darker Than the Deepest Sea** is essential reading for anyone who has been moved by Nick Drake s unforgettable blend of beauty and sadness Damon Undone Jayne

Fresina,2017-04-26 We re not going to get along you and I are we Good god I hope not Thus begins the acquaintance of Damon Deverell and a young woman he finds under his feet one evening at a ball to which he isn t invited She reminds him instantly of someone he knew before but that would be impossible of course because she the girl from his past was entirely a construct of his own imagination Wherever this disturbingly real woman came from he s determined to maintain a cautious distance But when he s hired to keep an eye on her Damon s resolve to keep it merely business is soon threatened by some fresh baked muffins a pair of ankles he wishes he d never seen and a certain bold independent American woman who boasts of a very efficient right hook Miss Epiphany Pip Piper has been sent into exile abroad where her father hopes she ll learn to cool off her hot temper acquire some elegant manners and hopefully find a titled husband Mr Prospero Smokey Piper of Louisiana and various other parts unknown and best unmentioned claims to be the first ambitious and wealthy American businessman to think of this idea but just like his very first boyhood attempt at building a whiskey still behind the family outhouse this plan doesn t exactly turn out the way he expects either And although explosions are inevitable it s not his grandmother s drawers in danger this time When these two stubborn young people Damon the merciless shark of a lawyer who likes his world in order and the utterly disorderly Miss Piper a despicable girl of whom nothing could be made find

themselves thrown together by mischievous fate it s not just a battle of the sexes or even a comedy of errors It s a chemical reaction that will change both their worlds forever **The Ladies' Home Journal** ,2004-07 **Folktales of Newfoundland (RLE Folklore)** Herbert Halpert,J.D.A. Widdowson,2015-02-20 This collection of Newfoundland folk narratives first published in 1996 grew out of extensive fieldwork in folk culture in the province The intention was to collect as broad a spectrum of traditional material as possible and Folktales of Newfoundland is notable not only for the number and quality of its narratives but also for the format in which they are presented A special transcription system conveys to the reader the accents and rhythms of each performance and the endnote to each tale features an analysis of the narrator s language In addition Newfoundland has preserved many aspects of English and Irish folk tradition some of which are no longer active in the countries of their origin Working from the premise that traditions virtually unknown in England might still survive in active form in Newfoundland the researchers set out to discover if this was in fact the case **Amateur Work, Illustrated** ,1883
