Organized around themes: talk, reading and composing, representation, this book comprehensively invites educators to make sense of their own teaching practices while demonstrating the complexities of how children make sense of and represent meaning in today's world. Grounded in research, this text features a wealth of real-world multimodal examples, effective strategies, and teaching tactics to apply to any classroom context. Ideal for literacy courses, preservice teachers, teacher educators, and literacy scholars, this book illustrates how children become literate in contemporary society and how teachers can create the conditions for children to broaden and deepen their sense making and expressive efforts. *Reading Today* Ethel McCrossin Orr, Evelyn T.
