

ENGLISH TEST

45 Minutes—75 Questions

DIRECTIONS: In the five passages that follow, certain words and phrases are underlined and numbered. In the right-hand column, you will find alternatives for the underlined part. In most cases, you are to choose the one that best expresses the idea, makes the statement appropriate for standard written English, or is worded most consistently with the style and tone of the passage as a whole. If you think the original version is best, choose "NO CHANGE." In some cases, you will find in the right-hand column a question about the underlined part. You are to choose the best answer to the question.

You will also find questions about a section of the passage, or about the passage as a whole. These questions do not refer to an underlined portion of the passage, but rather are identified by a number or numbers in a box.

For each question, choose the alternative you consider best and fill in the corresponding oval on your answer document. Read each passage through once before you begin to answer the questions that accompany it. For many of the questions, you must read several sentences beyond the question to determine the answer. Be sure that you have read far enough ahead each time you choose an alternative.

PASSAGE I

Mystery Paper Sculptor

Between March and November of 2011, an anonymous donor left intricately crafted paper sculptures at various cultural institutions in Edinburgh, Scotland.

Delighted, each sculpture was left secretly and was later discovered by staff. The delicate sculptures—streetscapes, plants, and animals—were carved exclusively from the pages and bindings of books. The tiny details in the pieces are awe-inspiring.

The first sculpture discovered—at the Scottish Poetry Library—was a tiny tree formed from a book of verse. Library staff dubbed it the "poetree." The tree sits atop a book. Beneath the tree are the halves of a golden paper egg, each half filled with words clipped from the poem "A Trace of Wings" by Edwin Morgan.

- 1. Which choice most effectively emphasizes the complexity of the paper sculptures?
A. NO CHANGE
B. impressively
C. terrifically
D. superbly
- 2. F. NO CHANGE
G. Each sculpture was left secretly and later discovered by delighted staff.
H. Left secretly and later discovered by staff, each sculpture was delighted.
J. Secretly delighted, each sculpture was discovered by staff.
- 3. A. NO CHANGE
B. specified
C. adorned
D. honored

web the term thermal energy is used loosely in various contexts in physics and engineering generally related to the kinetic energy of vibrating and colliding atoms in a substance it can refer to several different well defined physical concepts

thermal energy thermal energy storage working principle - Apr 01 2022

web what is thermal energy storage thermal energy storage is defined as a technology that allows the transfer and storage of heat energy or energy from ice or water or cold air this method is built into new technologies that complement energy solutions like

12 2 first law of thermodynamics thermal energy and work - Jul 16 2023

web in order to understand the relationship between heat work and internal energy we use the first law of thermodynamics the first law of thermodynamics applies the conservation of energy principle to systems where heat and work are the methods of transferring energy into and out of the systems

heat transfer thermal energy doodle notes middle school - Aug 05 2022

web these free cornell doodle notes combine two effective note taking strategies and can be used go getting instead review the concepts of temperature heat both the choose off heat transfer conduction convection and radiation the notes starts by defining temperature and heat to makes clear such temperatu

lesson note on thermal energy i classnotes - Jul 04 2022

web topic thermal energy i heat flow is the movement of heat energy from the interior of earth to the surface the source of most heat comes from the cooling of the earth s core and the radioactive heat generation in the upper 20 to 40 km of the

earth s crust

note takeing thermal energy worksheets learny kids - Nov 08 2022

web displaying top 8 worksheets found for note takeing thermal energy some of the worksheets for this concept are effingham county schools overview thermal energy temperature and heat work thermal physics energy source note taking energy answers forms of energy student notes energy glencoe physical science heat transfer

thermal energy chemistry libretexts - Jun 03 2022

web jan 30 2023 potential energy back matter thermal energy also known as random or internal kinetic energy due to the random motion of molecules in a system kinetic energy is seen in three forms vibrational rotational and translational
