Der Spiegel Rudolf Augstein, 2008 The Machine That Changed the World James P. Womack, Daniel T. Jones, Daniel Roos, 2008-12-09 When James Womack Daniel Jones and Daniel Roos wrote THE MACHINE THAT CHANGED THE WORLD in 1990 Japanese automakers and Toyota in particular were making a strong showing by applying the principles of lean production However the full power of lean principles was unproven and they had not been applied outside of the auto industry Today the power of lean production has been conclusively proved by Toyota s unparalleled success and the concepts have been widely applied in many industries Based on MIT s pioneering global study of industrial competition THE MACHINE THAT CHANGED THE WORLD offers a groundbreaking analysis of the entire lean business system including product development supplier management sales service and production an analysis even more relevant today as GM and Ford struggle to survive and a wide range of British and American companies embrace lean production A new Foreword by the authors brings the story up to date and details how their predictions were right As a result this reissue of a classic is as insightful and instructive today as when it was first published

Terrorism and the Politics of Response Angharad Closs Stephens, Nick Vaughan-Williams, 2008-09-30 This interdisciplinary edited volume critically examines the dynamics of the War on Terror focusing on the theme of the politics of response The book explores both how responses to terrorism by politicians authorities and the media legitimise particular forms of sovereign politics and how terrorism can be understood as a response to global inequalities colonial and imperial legacies and the dominant idioms of modern politics The investigation is made against the backdrop of the 7 July 2005 bombings in London and their aftermath which have gone largely unexamined in the academic literature to date The case offers a provocative site for analysing the diverse logics implicated in the broader context of the War on Terror for examining how terrorist events are framed and how such framings serve to legitimise particular policies and political practices
