My background includes five years of cashier and inventory management experience at **** market. I am a self-motivated person and have continually demonstrated accurate numerical skills and courteous nature.

Please consider the following highlights of my qualification –

- While working at *** for three years from *** to *** I was responsible for scanning groceries, balancing the daily register processing cash and credit card transactions, and counting money
- Offering crucial back door services such as assisting in loading and unloading trucks, arranging displays, setting up products, labelling the products, and stocking inventory
- Helped improve the efficiency of the store at my previous workplace wherein, my efficient and accurate cash dealing activity reduced customer wait time by 50%, and hoping to bring that same to your store as well
- Superior team collaborative skills, helping me to coordinate schedules, and manage junior team members efficiently
- Outstanding customer service skills leading to a high level of customer retention and satisfaction
- Completing a wide range of cashier-related services during peak season and preparing to provide a similar impact at the *** store.
