Nhl Opening Night Compare Customer Service:

The NHL's Mistake by the Lake Gary Webster, 2021-09-23 The Cleveland Barons should never have existed Born when the National Hockey League's California Golden Seals another team that should never have existed were transplanted to Cleveland in 1976 and greeted with apathy by the dwindling number of hockey fans in northeastern Ohio the Barons were an embarrassment to the city and to the NHL The only thing the team had going for them was the state of the art arena they played in which was all but empty for nearly every game they played This book chronicles the Barons two regrettable seasons a case study in what happens when an ill conceived professional sports team created in an expansion splurge is moved in an effort to save it to a city that doesn't really want it

When the NHL Invaded Japan Steve Currier, 2022-07-08 When the NHL announced in early 1976 that its two worst teams the Washington Capitals and Kansas City Scouts would travel to Japan for a four game exhibition series dubbed the Coca Cola Bottlers Cup fans and media were baffled The Capitals and the Scouts were both expansion teams with a combined 46 wins 236 losses and 38 ties in their first two seasons stats made more dismal when considering seven of those wins were against each other Yet lagging so hopelessly behind the rest of the NHL they were perfect for a one off event on the other side of the globe The series was an eye opening success Players skated on an Olympic swimming pool ringed with rickety boards hung with fishing nets that boomeranged pucks into their faces as curious Japanese fans gasped at the gap toothed Canadians wrestling on the ice Filled with rare photos and player recollections this book tells the story of how two league doormats became hockey heroes half way around the world

Hockey Tonk Craig Leipold, 2008-07-13 Hard hitting nonstop action and that's just what happens off the ice Hockey is the fastest of all team sports an emotional exhilarating and highly entertaining blend of speed finesse intensity and bone crunching physical impact And the NHL's Nashville Predators are in every respect a team to watch But the story leading up to and through the Predators triumphant first season is every bit as exciting as the game itself Hockey Tonk tells of one man's dream of bringing a pro team to a city best known for its music industry The journey from that dream to its fulfillment in an arena filled with 17 000 screaming fans is a story of vision passion hard work perseverance and commitment to long term success It's a story of teamwork and hard nosed competition both on and off the ice Just a few short years ago the majority of Nashville Tennessee didn't know the difference between a blue line and a line dance But now Music City has become a pro sports town thanks to a fiercely competitive hockey team its business and community minded front office and fan support that according to USA Today is second to none

It's Beginning to Look a Lot Like Hockey Jami Davenport, 2024-11-26 From USA Today Bestselling author Jami Davenport comes a new clean sweet Hockey Romance series featuring adorable animals yummy hockey players and relatable heroines Join the men of the Spokane Lynx as they fall in love and battle for the future of their careers My past has come back to haunt me I'm the oldest player and the captain of a minor league hockey team My aspirations of playing in the big time are fading and I'm facing an uncertain future My teammates decide to have a little fun

at my expense and sign me up for a dating site My first and last date happens to be with my old nemesis Emory who still blames me for ruining her chances as a hockey player Not a fun time I d wish on anyone Imagine my surprise when the team s social media admin retires suddenly for personal issues and Emory arrives as his replacement We re butting heads at every turn much to the amusement of my teammates The night of the Lynx holiday party we re assigned to the same cabin as the result of an alleged administrative mistake and there s no other room at the inn If that isn t bad enough a wet furry bear of a dog adopts us a blizzard hits and we re not going anywhere soon Emory and I might greatly dislike each other but we re also in denial regarding our mutual attraction I don t see how this will end well for either of us but it s Christmas Perhaps the magic of the season and a large stray dog might make the impossible possible All Pets Pucks novels are heartwarming closed door Hockey Romances They ll make you laugh cry and turn the pages followed by a smile at the end and a guaranteed Happily Ever After
