Best Of Redditor's Update Written By Her ,2022-09-28 Yesterday I came home on my lunch break to take a quick nap before returning to work and came home to find my husband and Jamie having sex in our bed I was shocked and didn't really know what to do so I just left and went back to work I honestly wasn't even tired anymore As I was walking into work I saw that I was being bombarded with texts and calls from them both so I just turned my phone off I got out of work around 9pm but I didn't want to go home I went to a movie and just drove around after I fell asleep on the side of the road and returned home at 8am this morning to get ready for work When I walked in I saw Matthew and Jamie at the table Jamie looked sad while Matthew looked pissed I told them good morning and went and got ready for work Matthew followed me yelling saying that what I did was wrong and my reaction was compelled uncalled for Other Formats on Amazon <https://amzn.to/3dG3urz>

You Should Quit Reddit Jacob Desforges,2023-02-21 In recent years countless books articles and documentaries have addressed the negative effects that social media platforms have wrought on their users and society However these former works are incomplete nearly no attention has been paid to Reddit one of the most popular websites in the world Reddit is certainly unique among social platforms but its potential for addiction and darker side of nefarious activity should absolutely not be understated Additionally nearly no actionable advice has been provided to users of these platforms The audience is told that these websites and apps are harming their mental health wasting their time and that they are addictive which would logically make the task of quitting rather difficult but then provided zero guidance on how to disconnect from them Over 200 000 users gather on Reddit's r/NoSurf community to discuss reducing their internet use the forum is filled with reports of people who want to quit Reddit but find themselves psychologically compelled to return to the site over and over For moderate to heavy users of these platforms quitting is clearly not so simple You Should Quit Reddit is a paradigm shift in the genre Jacob Desforges was a Reddit user of over a decade and a self admitted Reddit addict who spent on average around three hours daily on the site Not only is this the first book investigating Reddit's flaws as a platform but it is also written from the perspective of someone who experienced firsthand the struggle that comes with quitting these addictive platforms This book therefore also provides readers with the practical advice tools and techniques needed to shatter the cycle of digital addiction enabling them to quit visiting Reddit and other time wasting websites for good so they can effectively reclaim their time to use in a more intentional manner The Reliable Field Guide To UFO Science, Media And Data Sources Stephen J. Dirac,2022-07-29 What makes this UFO book different The Reliable Field Guide to UFO Science Media and Data Sources contains an incredible amount of research and source material including What Proof Is Out there The Various Hypotheses and Phenomena Relevant People Science Experts Programs and Projects Research Organizations Archives Databases and Government Reports 20th To Early 21st Century Researchers Authors and Documentarians Remember if you have been searching for an organized and holistic collection of data on this fascinating and divisive subject The Reliable Field Guide to

UFO Science Media and Data Sources is the book you've been searching for. Not another UFO book. This book is a complete and comprehensive 548 pages of solid resources and knowledge not just on the subject of UFOs but also a deep dive into the various branches and related concepts such as the Starseed Hypothesis, the Sasquatch Bigfoot Phenomenon, the Crop Circle Hypothesis, the Men In Black Hypothesis, and many more. Is the TRUTH really out there? Exceptional claims require exceptional proofs, however, and the concept of Unidentified Flying Objects is no longer purely in the realms of science fiction fantasy. Recently, with the latest improvements in image capturing and analytical technology and the proliferation of media and data sources, we have acquired fantastic amounts of knowledge about the universe but still do not know how much more there is to be discovered. As J. B. S. Haldane once said, "The universe is not only stranger than we imagine; it is stranger than we can imagine." It is only natural that an intelligent and inquisitive mind, fascinated by anomalous experiences, should eventually turn its attention to the UFO mystery. Whatever your position on UFOs, from total believer to a complete skeptic, it's always better to arm yourself with the most up-to-date information on what we currently know, what we think we know, and the people and personalities behind the theories and explanations of the various phenomena.

The Reliable Field Guide to UFO Science Media and Data Sources recognizes that the concept of UFO must also incorporate the possibilities of a wider spectrum of Unidentified Anomalous Phenomena (UAP) and explores these concepts and ideas thoroughly. This book takes a wide holistic view of the subject and recognizes that the concept of UFO must also incorporate the possibilities of a wider spectrum of Unidentified Anomalous Phenomena (UAP), USO (Unidentified Submerged Phenomena), Psychic Phenomena, Paranormal Survival of Consciousness after death, Sasquatch Bigfoot, Government Black Programs, Conspiracies, USAF Unacknowledged Waived Special Access Programs, Breakaway civilization, Time Travel, Unknown Secret Histories of Humankind, Roswell and UFO Crash Retrievals, Government Cover-ups, and Disinformation Programs. Remote Viewing, Ancient Cultures, UFO UAP Hypotheses.

The Politics of Social Media Manipulation Richard Rogers, Sabine Niederer, 2025-10-01. Disinformation and so-called fake news are contemporary phenomena with rich histories. Disinformation, or the willful introduction of false information for the purposes of causing harm, recalls infamous foreign interference operations in national media systems. Outcries over fake news or dubious stories with the trappings of news have coincided with the introduction of new media technologies that disrupt the publication, distribution, and consumption of news from the so-called rumour-mongering broadsheets centuries ago to the blogosphere recently. Designating a news organization as fake, or *der Lügenpresse*, has a darker history associated with authoritarian regimes or populist bombast, diminishing the reputation of elite media and the value of inconvenient truths. In a series of empirical studies using digital methods and data journalism, the authors inquire into the extent to which social media have enabled the penetration of foreign disinformation operations, the widespread publication and spread of dubious content, as well as extreme commentators with considerable followings attacking mainstream media as fake.

Electoral Campaigns, Media, and the New World of Digital Politics David

Taras, Richard Davis, 2022-03-22 Today political leaders and candidates for office must campaign in a multimedia world through traditional forums newspapers radio and television as well as new digital media particularly social media Electoral Campaigns Media and the New World of Digital Politics chronicles how Twitter Facebook Reddit email and memes are used successfully and unsuccessfully to influence elections Each of these platforms have different affordances and reach various audiences in different ways Campaigns often have to wage different campaigns on each of these mediums In some instances they are crucial in altering coverage in the mainstream media In others digital media remains underutilized and undeveloped As has always been the case in politics outcomes that depend on economic and social conditions often dictate people's readiness for certain messages However the method and content of those messages has changed with great consequences for the health and future of democracy This book answers several questions How do candidates parties reach audiences that are preoccupied inattentive amorphous and bombarded with so many other messages How do they cope with the speed of media reporting in a continuous news cycle that demands instantaneous responses How has media fragmentation altered the campaign styles and content of campaign communication and general campaign discourse Finally and most critically what does this mean for how democracies function

Panek,2021-12-24 This book offers a comprehensive scholarly overview of Reddit one of the most popular and least studied social platforms of the early 21st century The book inspires new ways of thinking about Reddit considering it from multiple perspectives through a historical lens as a site where identity is forged as a democracy as a community and as a news aggregator and distributor By bringing theories from computer mediated communication communication studies and sociology to bear on original large scale observational analyses of Reddit s communities this book provides a uniquely comprehensive overview of the platform s first 15 years Understanding Reddit will help us make sense of how rapidly growing communities function in an era of mass online anonymity Serving both as a primer on how social behavior on Reddit plays out and as a way of locating it within multiple theoretical traditions the book will offer important insights to scholars and students in the disciplines of communication media studies information science internet and emerging media studies and sociology *Gaming Democracy* Adrienne L. Massanari,2024-10-15 How play and gaming culture have mainstreamed far right ideology through social media platforms From Gamergate to the ongoing Big Lie the far right has gone mainstream In Gaming Democracy Adrienne Massanari tracks the flames of toxicity found in the far right and alt right movements as they increasingly take up oxygen in American and global society In this pathbreaking contribution to the fields of internet studies

game studies and gender studies Massanari argues that Silicon Valley's emphasis on meritocracy and free speech absolutism has driven this rightward slide These ideologies have been coded into social media spaces that implicitly silence marginalized communities and subject them to rampant abuse by groups that have learned to game the ecology of platforms algorithms and attention economies While populist movements are not new phenomena such as QAnon parental rights activism and COVID denialism are uniquely of the internet with supporters demonstrating both technical acumen and an ability to use memes and play as a way of both building community and fomenting dissent Massanari explores the ways that the far right uses memetic humor and geek masculinity as tools both to create a sense of community within these leaderless groups and to obfuscate their intentions Using the lens of play and game studies as well as the concept of metagaming Gaming Democracy is a novel contribution to our understanding of online platforms and far right political activism

Every Last Fish Rose George, 2025-10-23 Cold blooded slippery wet and strange fish can be hard to think of as fellow animals and easier to consider as food But what do we know of these creatures on our plates and what do we know of how they got there In Every Last Fish Rose George takes us inside the vast legal industries that support our appetite for fish fingers and salmon sandwiches and the equally colossal illegal fishing trade whose practices and standards are unmonitored and often dangerous It introduces us to the men and it is mostly men who fish the women and it is mostly women who process the flesh and strive to keep fishing communities afloat It takes us from Alaska to Senegal via Scotland Norway and Massachusetts and from the nets on the surface to the murky depths of the sea bed It will transform the way you look at fish and change your understanding of what lies behind the inscrutable eye that looks back at you
