approaches to music learning and teaching Managing Your Band Stephen Marcone, 2003 According to Dr Stephen Marcone personal management is still the weakest link in a music business that operates by fragmenting its product This comprehensive new edition includes an updated recording agreement with current industry language and a sample merchandising agreement takes into account the many changes in concert promotion and features descriptions of new legal battles Use this book as a helpful reference for touring publicity contracts marketing trademarks copyrighting enhancing creativity and much more Straight forward and up to date this is an easy to understand and all encompassing primer for aspiring bands and managers Walter O Brien Owner Concrete Management Inc manager of Pantera and others Dr Stephen Marcone is Director of Music Graduate Studies and Professor of Music at William Paterson University in Wayne New Jersey

Fit in 15 Minutes Reiner Wehle, 2020-03-13 The clarinetist Rainer Wehle has compiled 99 exercises which prepare the player intensively for playing the instrument in a relaxed way These exercises relax breathing loosen body and arms relax fingers and wrists or sensitize the feeling for sound and intonation Furthermore they train all aspects of articulation For each aspect there are exercises at various levels of difficulty so that the volume is a valuable addition for both amateurs and professionals

Therapeutic Recreation Leadership and Programming Robin Kunstler, Frances Stavola Daly, 2010-06-14 Therapeutic Recreation Leadership and Programming will help students learn the essential aspects of professional practice while developing a leadership mind set The book focuses on the day to day responsibilities of the therapeutic recreation specialist TRS while integrating ethical considerations into each aspect of the job Readers will learn how to perform the daily work of a TRS while maintaining the highest ethical standards of the profession The book details the principles theories and codes of ethics that will form the foundation of specialists understanding of the field and set the stage for practice the knowledge skills and leadership principles that TRSs will need in order to help their clients accomplish therapeutic outcomes strategies that will guide TRSs in planning a wide range of programs and services including information on frequently encountered health problems major program areas facilitation strategies and client and program evaluation and methods for program organization and delivery that will prepare specialists to offer a regular schedule of therapeutic recreation programs that meet the needs of all of their clients whether in group or individual settings The book will arm students with the information and tools they need in order to succeed as therapeutic recreation specialists It familiarizes students with their future clients by describing the health concerns most often encountered in therapeutic settings Case studies for the most common concerns provide students with concrete examples of how programming works in various clinical settings The book also provides specific recreation activities from five major program areas along with information on the effectiveness of the activities risk management concerns and implementation strategies Step by step instructions for structuring planning and leading both group and one on one sessions will prepare students to implement programs in a wide variety of settings Stories from professionals in the field examples of real and hypothetical clients and

case studies show students how to use the principles they've learned when leading programs. Learning activities help them to further explore the concepts in each chapter and highlight boxes emphasize key ideas related to each chapter's content. An instructor guide is available to course adopters at www.HumanKinetics.com

Therapeutic Recreation Leadership and Programming Managing Stress: Skills for Anxiety Reduction, Self-Care, and Personal Resiliency with Navigate Advantage Access Brian Luke Seaward, 2023-12-22 Managing Stress provides a comprehensive approach to stress management honoring the balance and harmony of the mind, body, spirit, and emotions. Referred to as the authority on stress management by students and professionals, this book equips students with the tools needed to identify and manage stress while teaching them how to strive for health and balance. The holistic approach gently guides the reader to greater levels of mental, emotional, physical, and spiritual well-being by emphasizing the importance of mind, body, spirit unity.

Managing Your Band - Sixth Edition Stephen Marcone, David Philp, 2017-06-01 Book Making it in music has never been easy, but today it's harder than ever before. The digital age has dawned, and with it, the music biz has wholly merged with the entertainment industry. Up and comers are immediately faced with a dire choice: alter your art to appease the powers that be or learn to navigate the notoriously grimy underside of the most glamorous profession in the world. Whether you're a self-reliant DIY musician or an aspiring personal manager, Stephen Marcone and David Philp's Managing Your Band: Artist Management: The Ultimate Responsibility can help you keep your shirt and maybe just maybe make a buck all for less than the price of a decent dinner. Now in its sixth edition, Managing Your Band has long since been the standard bearer for aspirants and hardened vets alike. From dive bars to festivals, from branding and merchandising to marketing and publicity, from publishing and licensing to rights and contracts, Marcone and Philp leave no stone unturned in this comprehensive guide to artist management. A lofty claim, eh? No need to take our word for it: luminaries in every corner of the industry are willing to testify. To put it mildly, the book has a reputation with record labels. John Butler, Vice President of Promotion at Curb, believes that Marcone and Philp take on our ever-changing business with a fresh and complete approach. The breadth of information here is as important to veterans as it is to the new entrepreneurs that will power the current and next versions of the music industry. Paul Sinclair, the EVP of Digital Strategy Innovation at Atlantic, attests that the 6th edition of Managing Your Band provides an excellent blueprint to follow paths of flexibility and specificity toward a successful career in music. In this book, you find the framework. Implement it well, and you have a better shot of finding success with your musical art. Joe Riccitelli, the EVP/GM of RCA, considers the book a must for new and established managers who may need a brush-up on topics they have forgotten. As Stephen's and David's vast experience pays off in the 6th edition, hell, this is the only book music mogul Harvey Leeds took to Israel to teach the Israelis about the international music and entertainment business. In the end, we think Doc McGhee, the man who whisked Bon Jovi and Motley Crue to superstardom, says it best: I wish I had something like this when I was starting out. What more can we say? Pick up the latest edition of Managing Your Band and

chase that wild dream **Music Commodities, Markets, and Values** Jayson Beaster-Jones, 2016-05-12 This book examines music stores as sites of cultural production in contemporary India Analyzing social practices of selling music in a variety of retail contexts it focuses upon the economic and social values that are produced and circulated by music retailers in the marketplace Based upon research conducted over a volatile ten year period of the Indian music industry Beaster Jones discusses the cultural histories of the recording industry the social changes that have accompanied India's economic liberalization reforms and the economic realities of selling music in India as digital circulation of music recordings gradually displaced physical distribution The volume considers the mobilization of musical economic and social values as a component of branding discourses in neoliberal India as a justification for new regimes of legitimate use and intellectual property as a scene for the performance of cosmopolitanism by shopping and as a site of anxiety about transformations in the marketplace It relies upon ethnographic observation and interviews from a variety of sources within the Indian music industry including perspectives of executives at music labels family run and corporate music stores and hawkers in street markets selling counterfeit recordings This ethnography of the practices spaces and anxieties of selling music in urban India will be an important resource for scholars in a wide range of fields including ethnomusicology anthropology popular music studies and South Asian studies

Isaac's "Privateering" Tour Blog Isaac Shabtay, 2013-09 During the spring summer of 2013 I was following Mark Knopfler's Privateering concert tour in Europe attending all 70 concerts in 23 countries This book is a printed edition of an online diary I was keeping throughout the entire journey containing an honest open and unedited account of what has been going through the mind of an individual crossing the Old Continent following his favourite musical group
