teammates at the University of Colorado was tested by the gut wrenching realization that she could no longer ignore the feelings of otherness inside her In trying to blend in Kate had created a hilariously incongruous world for herself in Boulder Her best friends were part of Colorado's Fellowship of Christian Athletes where they ran weekly Bible studies and attended an Evangelical Free Church For nearly a year Kate joined them and learned all she could about Christianity even holding their hands as they prayed for others living a sinful lifestyle Each time the issue of homosexuality arose she felt as if a neon sign appeared over her head with a giant arrow pointed downward During these prayer sessions she would often keep her eyes open looking around the circle at the closed eyelids of her friends listening to the earnestness of their words Kate didn't have a vocabulary for discussing who she really was and what she felt when she was younger all she knew was that she had a secret In *The Reappearing Act* she brings the reader along for the ride as she slowly accepts her new reality and takes the first steps toward embracing her true self
