Pacific Passions Thomas Fenske, 2015-12-08 **Old Stories, New Readings** Miriam López-Rodríguez, Alfonso Ceballos Muñoz, Inmaculada Pineda-Hernández, 2015-02-27 Whether imaginary or based on real events stories are at the core of any culture Regardless of their length their rhetoric strategies or their style humans tell stories to each other to express their innermost fears and needs to establish a point within an argument or to engage their listeners in a fabricated composition Stories can also serve other purposes such as being used for entertainment for education or for the preservation of certain cultural traits Storytelling is at the heart of human interaction and as such can foster a dialogic narrative between the person creating the story and their audience In literature this dialogue has been traditionally associated with narrative in general and with the novel in particular However other genres also make use of storytelling including drama This volume explores the ways in which American theatre from all eras deals with this how stories are told onstage what kinds of stories are recorded in dramatic texts and how previously neglected realities have gained attention through the American playwrights telling or retelling of an event or action The stories unfolded in American drama follow recent narratology theories particularly in the sense that there is a greater preference for those so called small stories over big stories Despite the increase in the production of this type of texts and the growing interest in them in the field of narratology small stories are literary episodes that have been granted less critical attention particularly in the analysis of drama As such this volume fills a void in the study of the stories presented on the American stage *Pacific Northwest*, 1982 *Errand into the Maze* Deborah Jowitt, 2024-01-30 A New Yorker Best Book of the Year A New York Times Book Review Editors Choice A Kirkus Reviews Best Book of the Month Deborah Jowitt chronicles a life passionately artfully lived An essential read about a true legend Mikhail Baryshnikov A study in balance and grace The New York Times Book Review From the legendary dance critic Deborah Jowitt *Errand into the Maze* is the definitive biography of the visionary dancer and choreographer Martha Graham In the pantheon of American modernists few figures loom larger than Martha Graham One of the greatest choreographers ever to live Graham pioneered a revolutionary dance technique primal dynamic and rooted in the emotional life of the body that upended traditional vocabulary and shaped generations of dancers and choreographers across the globe Over her sweeping career she founded what is now the oldest dance company in the country and produced nearly two hundred ballets many of them masterpieces And along the way she engaged with the major debates events and ideas of the twentieth century creating works that cut to the core of the human experience Time magazine's Dancer of the Century and the first dancer and choreographer to be awarded the Presidential Medal of Freedom Graham was a visionary artistic force and an international cultural figure hers was the iconic face of what came to be known as modern dance From the renowned dance writer and former longtime critic for *The Village Voice* Deborah Jowitt *Errand into the Maze* draws on more than a decade of firsthand research to deliver the definitive portrait of this titan Beginning with Graham's childhood in Allegheny Pennsylvania and her

early studies at the Denishawn School weaving in her offstage adventures including her relationship with her dancer and muse Erick Hawkins and chronicling her retirement from dancing at age seventy five and her remarkably productive final years this elegant empathetic biography portrays the artist in all her passionate complexity Most important Jowitt places Graham s creations at the heart of her story Her works brimming with raw intensity are intimately linked with their creator who played the heroine in almost all that she choreographed Joan of Arc Jocasta Clytemnestra and Judith among others In this volume Graham is center stage once more and Jowitt casts a brilliant spotlight on her life and work

The Oxford Encyclopedia of Women in World History Bonnie G. Smith,2008 The Encyclopedia of Women in World History captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated womens daily lives in virtually every region and have researched the leadership roles women have filled across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune womens and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike
