Pact Goodbye Past Hello Love:

The Pact Charles J Orlando, 2015-12-07 Relationship expert Charles J Orlando's keen understanding of how men and women think and flow in relationships is the key to his unparalleled success. His latest book *The Pact Goodbye Past Hello Love* helps identify and correct the issues we bring to our relationships: issues that prevent us from finding and keeping true and lasting love.

The Seven Days of Agreement Joan Bacsal, Sharia Obregon have a five years relationship with Evander Imperial. They both love each other, they both happy and contented but the moment Sharia discovers that she has a brain tumor, she decided to break up her boyfriend but before they broke up they both agree to a seven days of agreement. What if her plan to pick up in seven days suddenly changes everything? What if Evander finds out about her condition will she avoid it because she doesn't want to be a burden to the man or will she admit the truth will it change because of her condition everything or she will just accept it and completely walk away from the man she loved for five years.

Broken Contract Martin Kraidin, 2014-07-01 When a college all American named Martin Kraidin saw a high school honey named Lynn Konick walk across the campus it was not just love at first sight it was a future so bright so envied it was set in the astrological stars. Marty was a promising dental student both at the top of his class academically and head of his class in popularity as the student body president. Lynn an attractive but shy high school gal who'd been sheltered by her very successful Main Line Philadelphia parents blossomed in the wake of Marty's drive and ambition. Theirs was to be the quintessential love story. But how could it have all gone so wrong? His young wife ripped from his arms and heart a son he was never to see plunging both into a two decade odyssey of ill fated relationships love turning to hate an emotional void. Could it have all just been the lust of youth and not a love for the ages? In 1984 a letter arrived for Dr Kraidin from a young Stephen Levinson. Stephen Levinson was the son Marty had never known and the link to the only love he had ever known. The letter was the key to a second chance at life at love. For theirs was a love that was meant to be. Nothing would now keep them apart or so they thought. This is the true story of two people who may have been able to defy the odds but not the fates.

The Ex Agreement Regina Brownell, 2023-10-26 Can they put up a happy front for one more holiday? A compelling new novel of marriage and misgivings from the author of *The Two Week Promise*. Charlotte and Bryan have been separated for six months disappointed that the fairy tale future they imagined at their wedding didn't quite come true. Bryan a policeman was constantly working while Charlotte struggled with household finances and a baby. And their son's recently diagnosed autism has caused further strain. However there's one thing Bryan hasn't managed to get around to telling his parents about the separation. Now as Christmas approaches he asks Charlotte to play along and construct a festive facade during the holiday visit. But just like fairy tales family gatherings never seem to go as planned and the couple will finally have to figure out if the New Year will mark the end of their marriage or a resolution to begin again.
