motorcyclists are law abiding citizens While many may be familiar with the reputation of the Hells Angels many may not realize the wide network of other Outlaw Motorcycle Gangs or the extent of their involvement in criminal activities The brief includes a breakdown of the criminal networks and activities of these groups which operate similarly to an organized crime group It also covers the evolution of motorcycle clubs to motorcycle gangs It examines the recent trend of American based motorcycle gangs into international organized crime activities This book will be of interest to researcher studying criminology particularly organized crime and criminal networks as well as international and comparative law and public policy

Blood & Bones: Rev Jeanne St. James, 2024-07-18 From a past of righteousness to a future of anything but Rev rarely does what s expected of him The Blood Fury member s rebellious nature tends to lead him on the road less traveled In his youth he fought the chains meant to restrain him meant to force him on a righteous path A path he never chose A path he never planned to follow He prefers to pave his own road taking detours to forge his own future Even if it s one full of sin But an unexpected call drags him back to the painful past he s left far behind One he s tried to forget No good reason exists for him to return Except to witness the final moments of the person who made him and his sister suffer Maybe even get a taste of revenge However he s not sure he can deal with it alone He wants someone to stand by him and help give him strength A woman who also carves her own path and spits in the face of restrictive rules The problem is she s off limits No matter how tempting she is no matter how satisfying the sin would be touching her is one rule he can t break Ultimately mistakes are made Secrets are forced to be kept Because he s a sinner He was born one He will die one And in between he plans to enjoy the life he chose Sins and all Note Blood Bones Rev is the eighth book in the Blood Fury MC series As always this book has no cheating no cliffhanger and has an HEA It s highly recommended to read this series in order
